Queen Pam reigns supreme at Homecoming Dance.

Homecoming proved to be a success as our campus slowly filled with Helix graduates throughout the day. With, "Time, Where Did You Go?" as the theme of the Alumni Tea, Helix alumni returned with surprised and anxious expressions on their faces, reaquainting themselves with old friends and teachers. The assembly brought memories as the ASB presented a skit taking everyone back to our first homecoming. The day was highlighted as Pam Faught was crowned to reign as the 1971 Homecoming Queen. The Solid Brass brought the evening to a close as they presented two hours of spectacular music.

A Time To Remember

The climax of Homecoming Week was the crowning of the 1971 Homecoming Queen. As the princesses stepped onto the football field, the crowd anxiously awaited the announcement. Silence spread over the entire stadium as Pam Faught was proclaimed queen. Pam excitedly stepped forth to receive her royal crown and robe from Gwen De La Houssaye, and began her reign as our new Homecoming Queen. As the princesses left the field, Queen Pam followed them, making 1971 Homecoming . . . A Time To Remember.

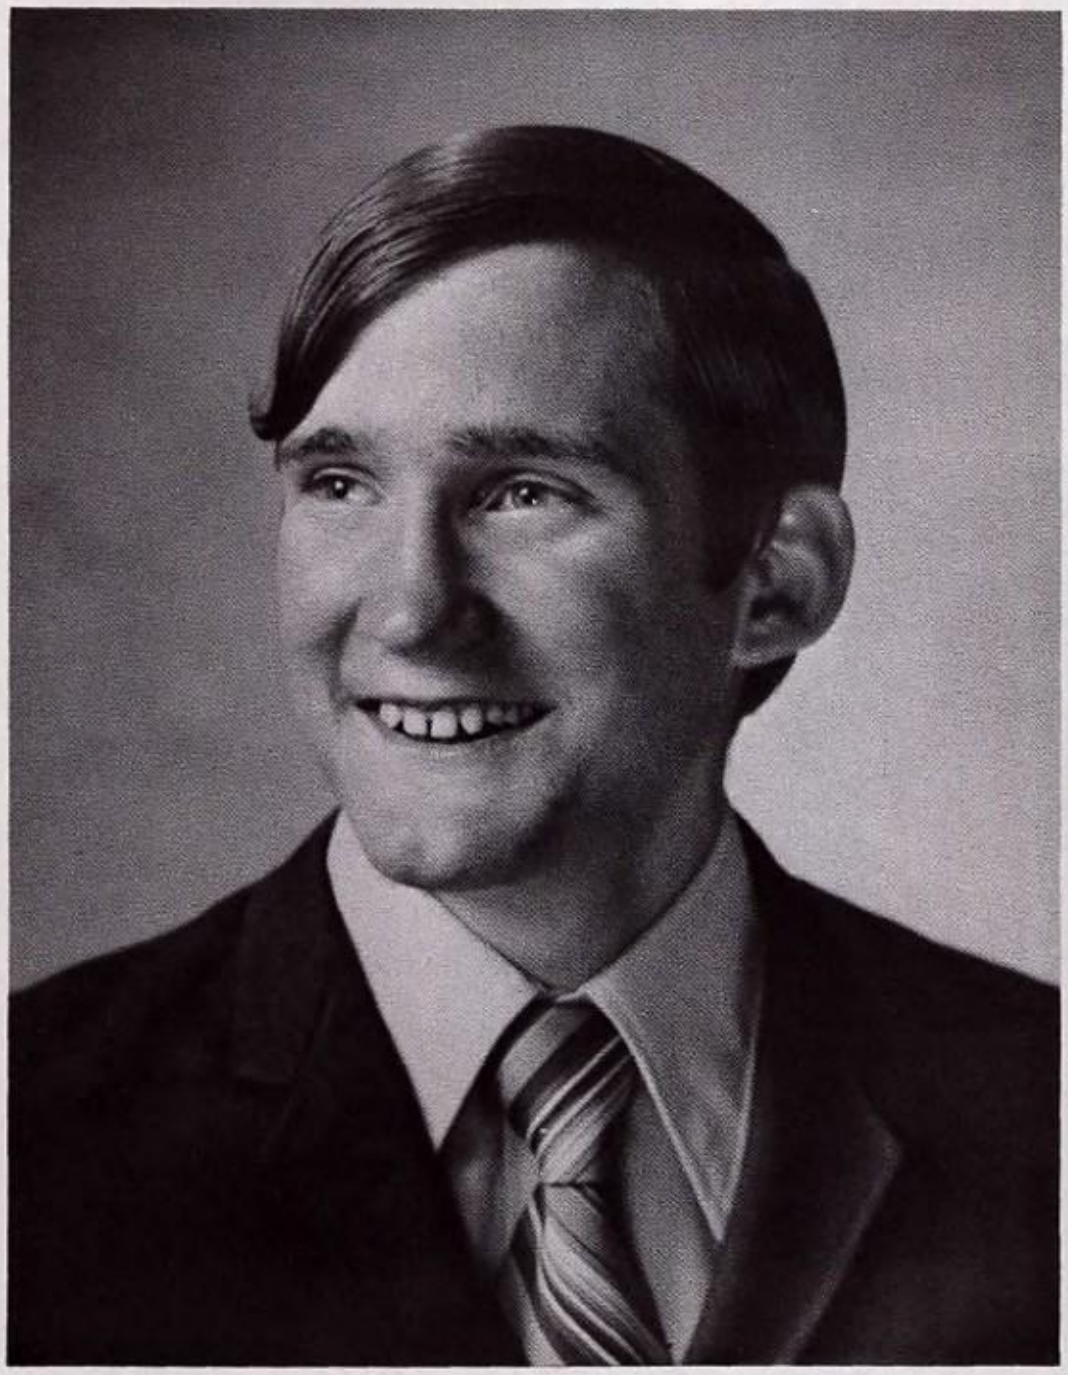
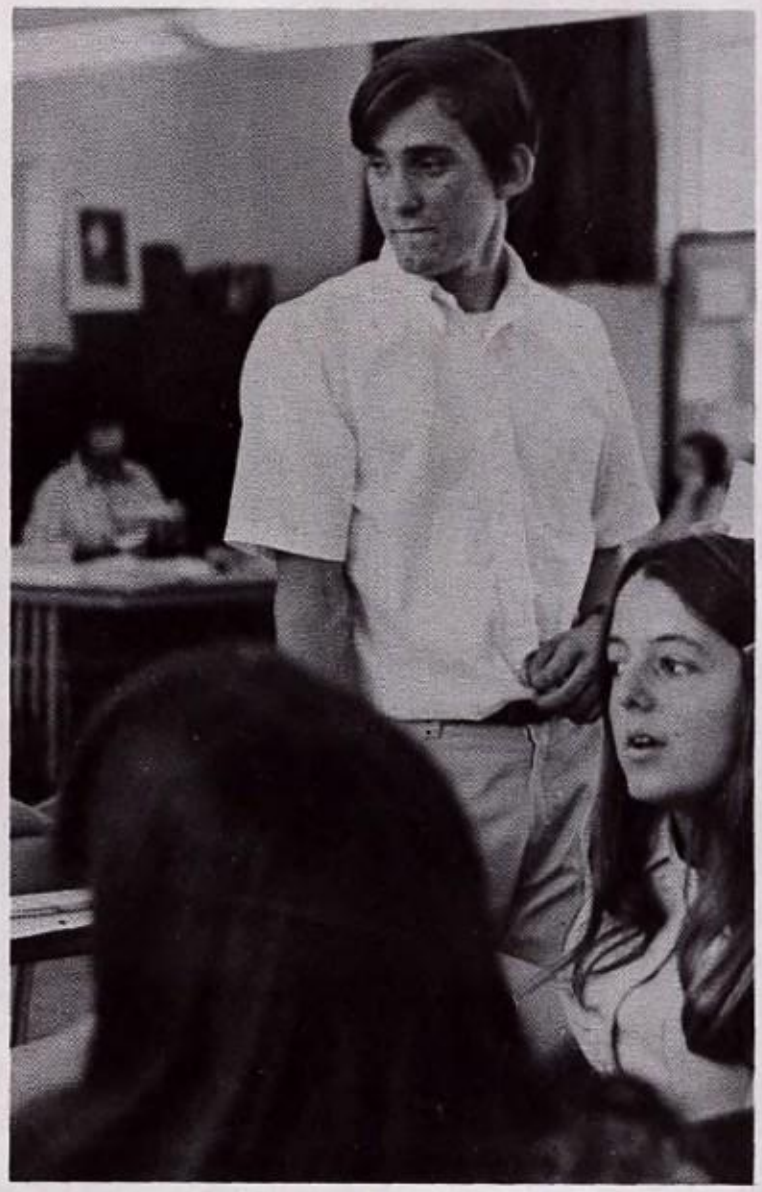
ASB Strives For Enthusiasm,



Jeff Jones, ASB President, served diligently throughout the year by working many extra hours.

ASB President Jeff Jones inspired Helix to strive for school unity. This was achieved through student involvement in activities, which broke the routine of always attending classes. Jeff stressed, "Everyone has to give something of themselves." He practiced this enthusiastically in the performance of his duties.

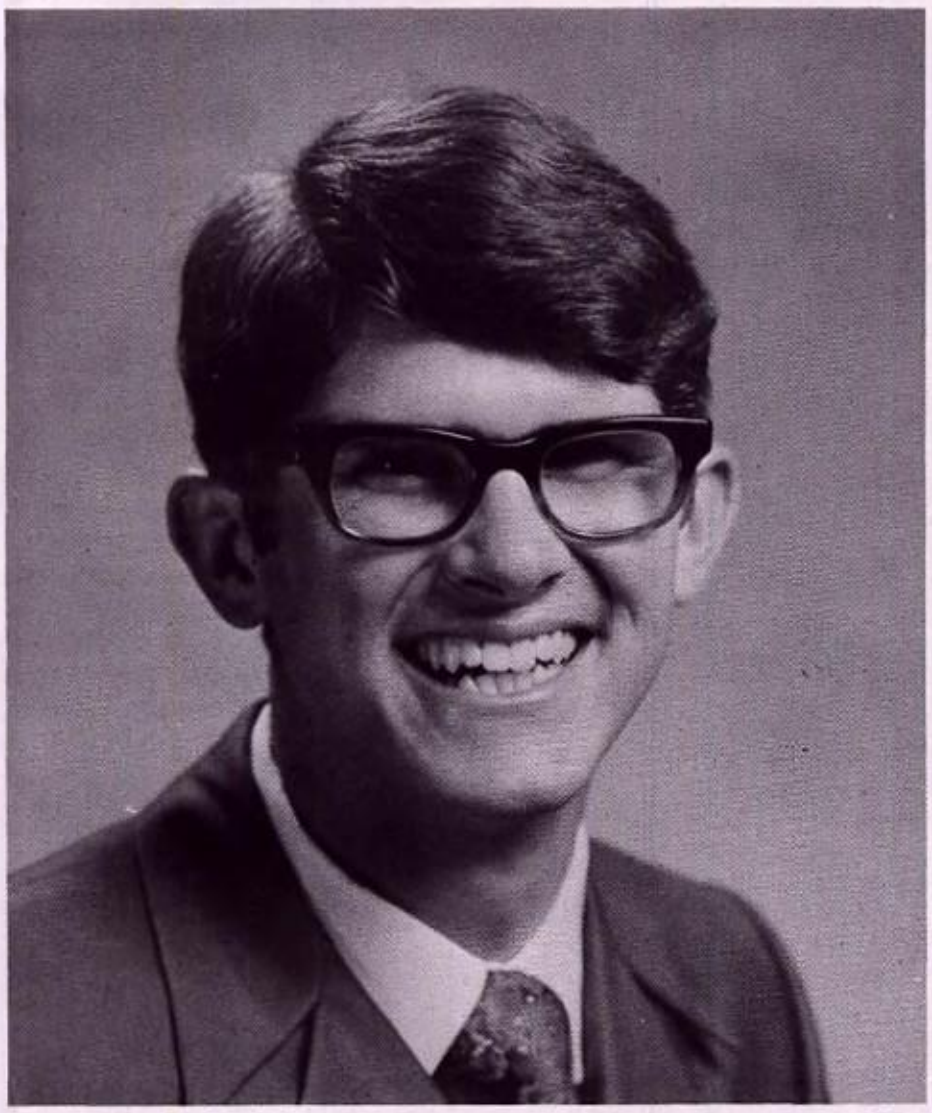


Hey Jeff, tell her she shouldn't do that here! Jeff, Jeff . . .

Jeff helps sell tickets to the Grossmont game.

"You dirty rat."

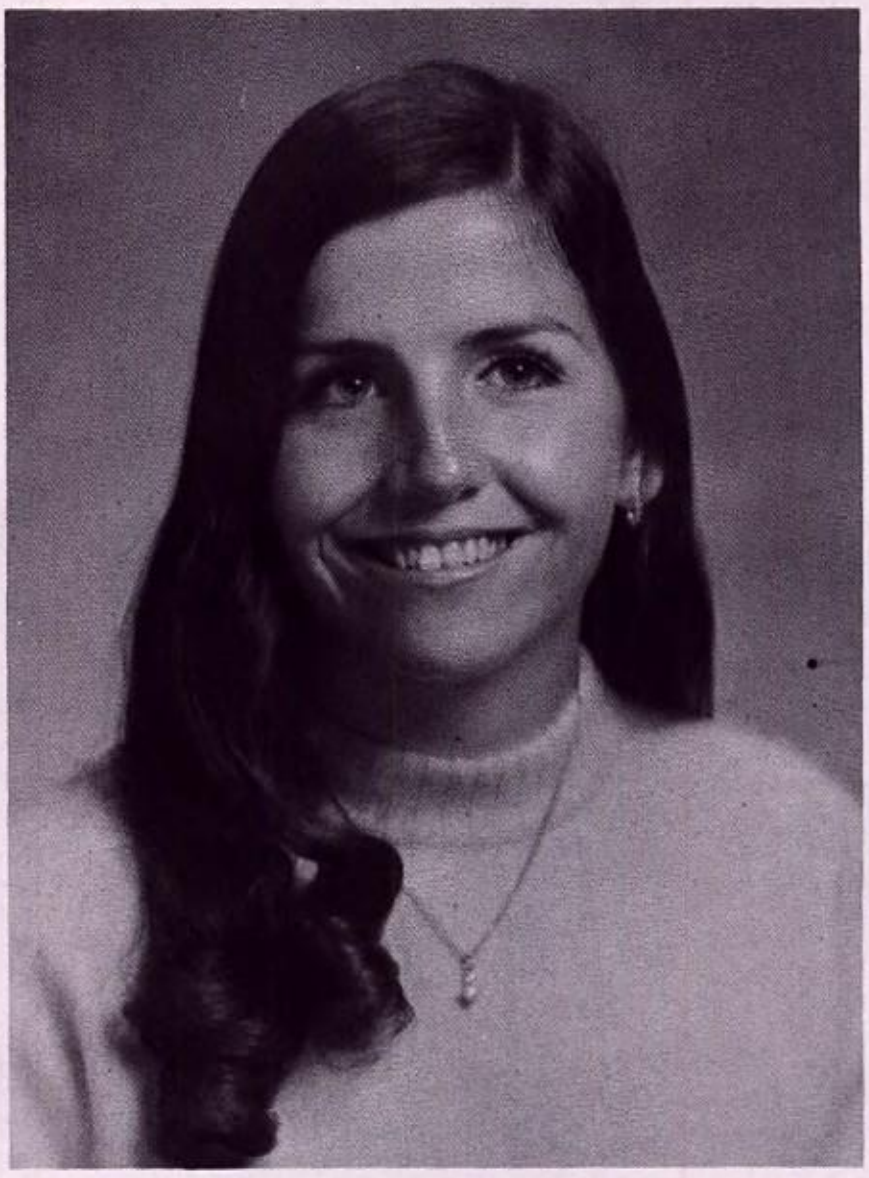
Unity, And Total Involvement



Don listens to suggestions at student council meeting.

ASB Vice-President, Don Touchet, has shown exceptional leadership in all of his duties throughout the year.

As president of student council he presided over all the meetings. Don was also a voting member of the administrative council and a member of the executive council.



Lisa Heerwald, ASB Secretary, organized and supervised all elections including those for commissioners, cheerleaders, and class officers. After freshman elections Lisa wrote many letters to prospective nominating convention speakers. Organizing the convention proved to be a big job but Lisa handled it with much success.

Lisa takes time out from her duties for a minute of relaxation.

Commission Class Can Dig It

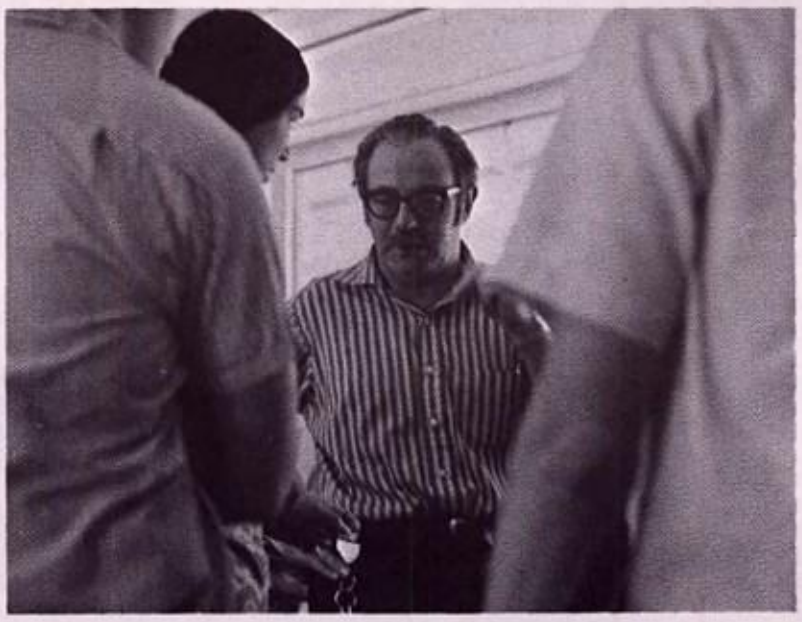
This year's Commission Class revolved around the theme of "Don't Ask Why, Ask Why Not." They worked hard on such projects as raising money to send the band to the Rose Parade and recycling paper. Their enthusiasm always appeared in all of their activities. Whether it was painting signs, conducting elections, or planning assemblies and dances, Commission Class did a great job in making 1971-72 . . . A Time for Involvement.

Dale, assistant secretary, is always wide awake.

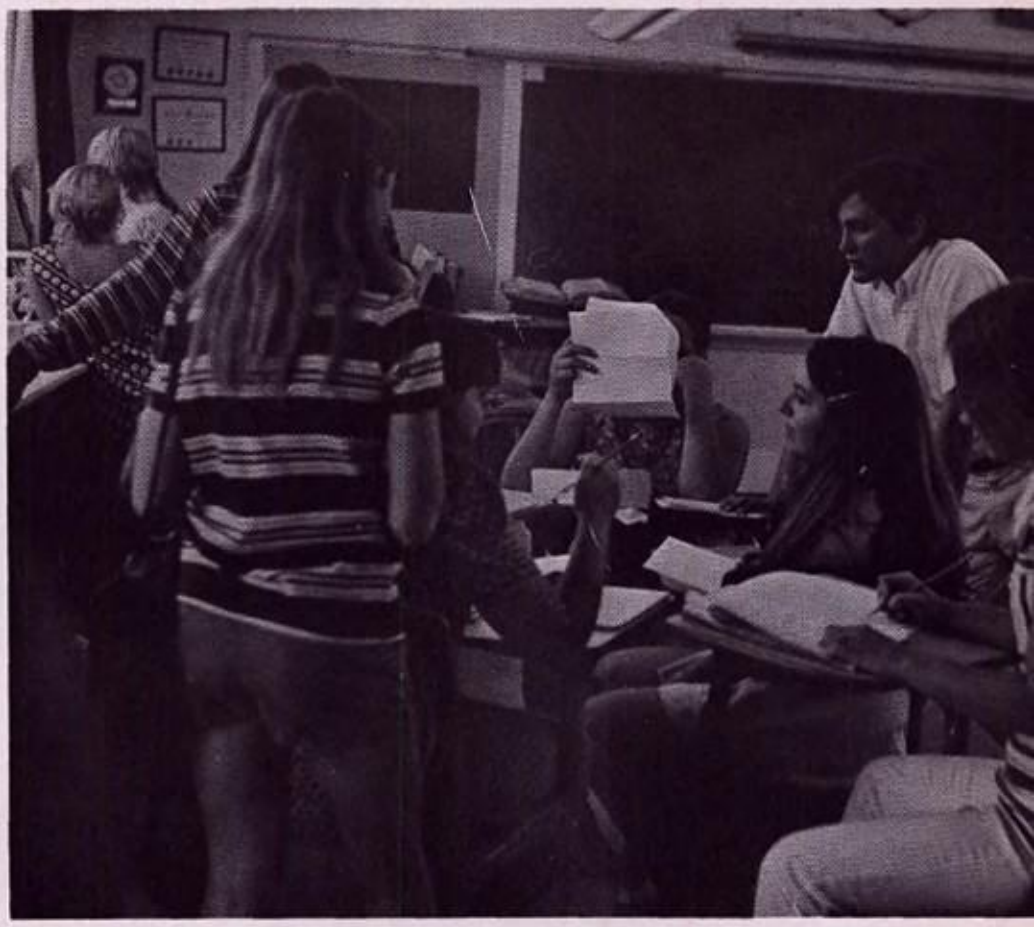
Janice Knipe, Activities; Debbie Grimard, Finance Cathy Durate, G.L. Pres.; Paula Graver, Athletics; Lori Schmidt, Cultural Affairs; Bruce Thompson, Att. General.

Diane Olmstead, Public Relations, works on the football programs.

Spirit; Judy Mitchell, Publicity; Craig Mehaffie, Sr. Class President; Mike Brothers,



Mr. Grainger, advisor, always lends his help.



Suggestions are always welcome to the Commissioners.

Student Council Brings Results

The purpose of Student Council is to provide a link between the students and the administration. It also provides for a student voice in Helix affairs. Don Touchet, president of Student Council, worked hard on forming committees to provide for quick legislation and to involve everyone in student government. Don did an excellent job to make this year's student council . . . A Time for Results.

A very enthusiastic group!

This year has given me so much that I don't have the words to describe it. I can't ever thank AFS, Helix, and all the people I met throughout the year enough.

My first speech in English was at Freshmen Orientation. I am sure that the other newcomers couldn't have been more confused about the new, large, complicated looking school (with palm trees on the campus?) than I was. After a while, I learned to go to different places on the school campus. At the beginning of the school year, the spirit was great at the football games with our band and corps halftime shows.

I enjoyed the ASB and the student government and I am glad that I had the opportunity to work closely with all the student leaders and Mr. Grainger. I got some good ideas which I maybe could use in our school, because I still have two more years to go there. Oh, I will be busy!

Anytime you visit Europe, don't miss Finland ..... everybody is welcome!

You're A Good Man

"It's hard to believe, almost frightening to conceive, what a good man you are?"

"Lonely people eat peanut butter sandwiches."

Charlie Brown

This year's ASB Play was "You're a Good Man, Charlie Brown." It enjoyed a successful run from Nov. 30 to Dec. 4. The cast of characters were portrayed excellently by each actor. David Jacobson had the title roll, Charlie Brown. Lynnie Gerstien as Lucy, Don Alford as Linus, Ron Aills as Snoopy, John Alford as Schroeder, and Meg Moore as Patty, completed the entire cast. Each show was performed to a sell-out house and the play will long be remembered as one of the most successful productions of the Helix Drama Department under the direction of Mrs. Evonne Noll.

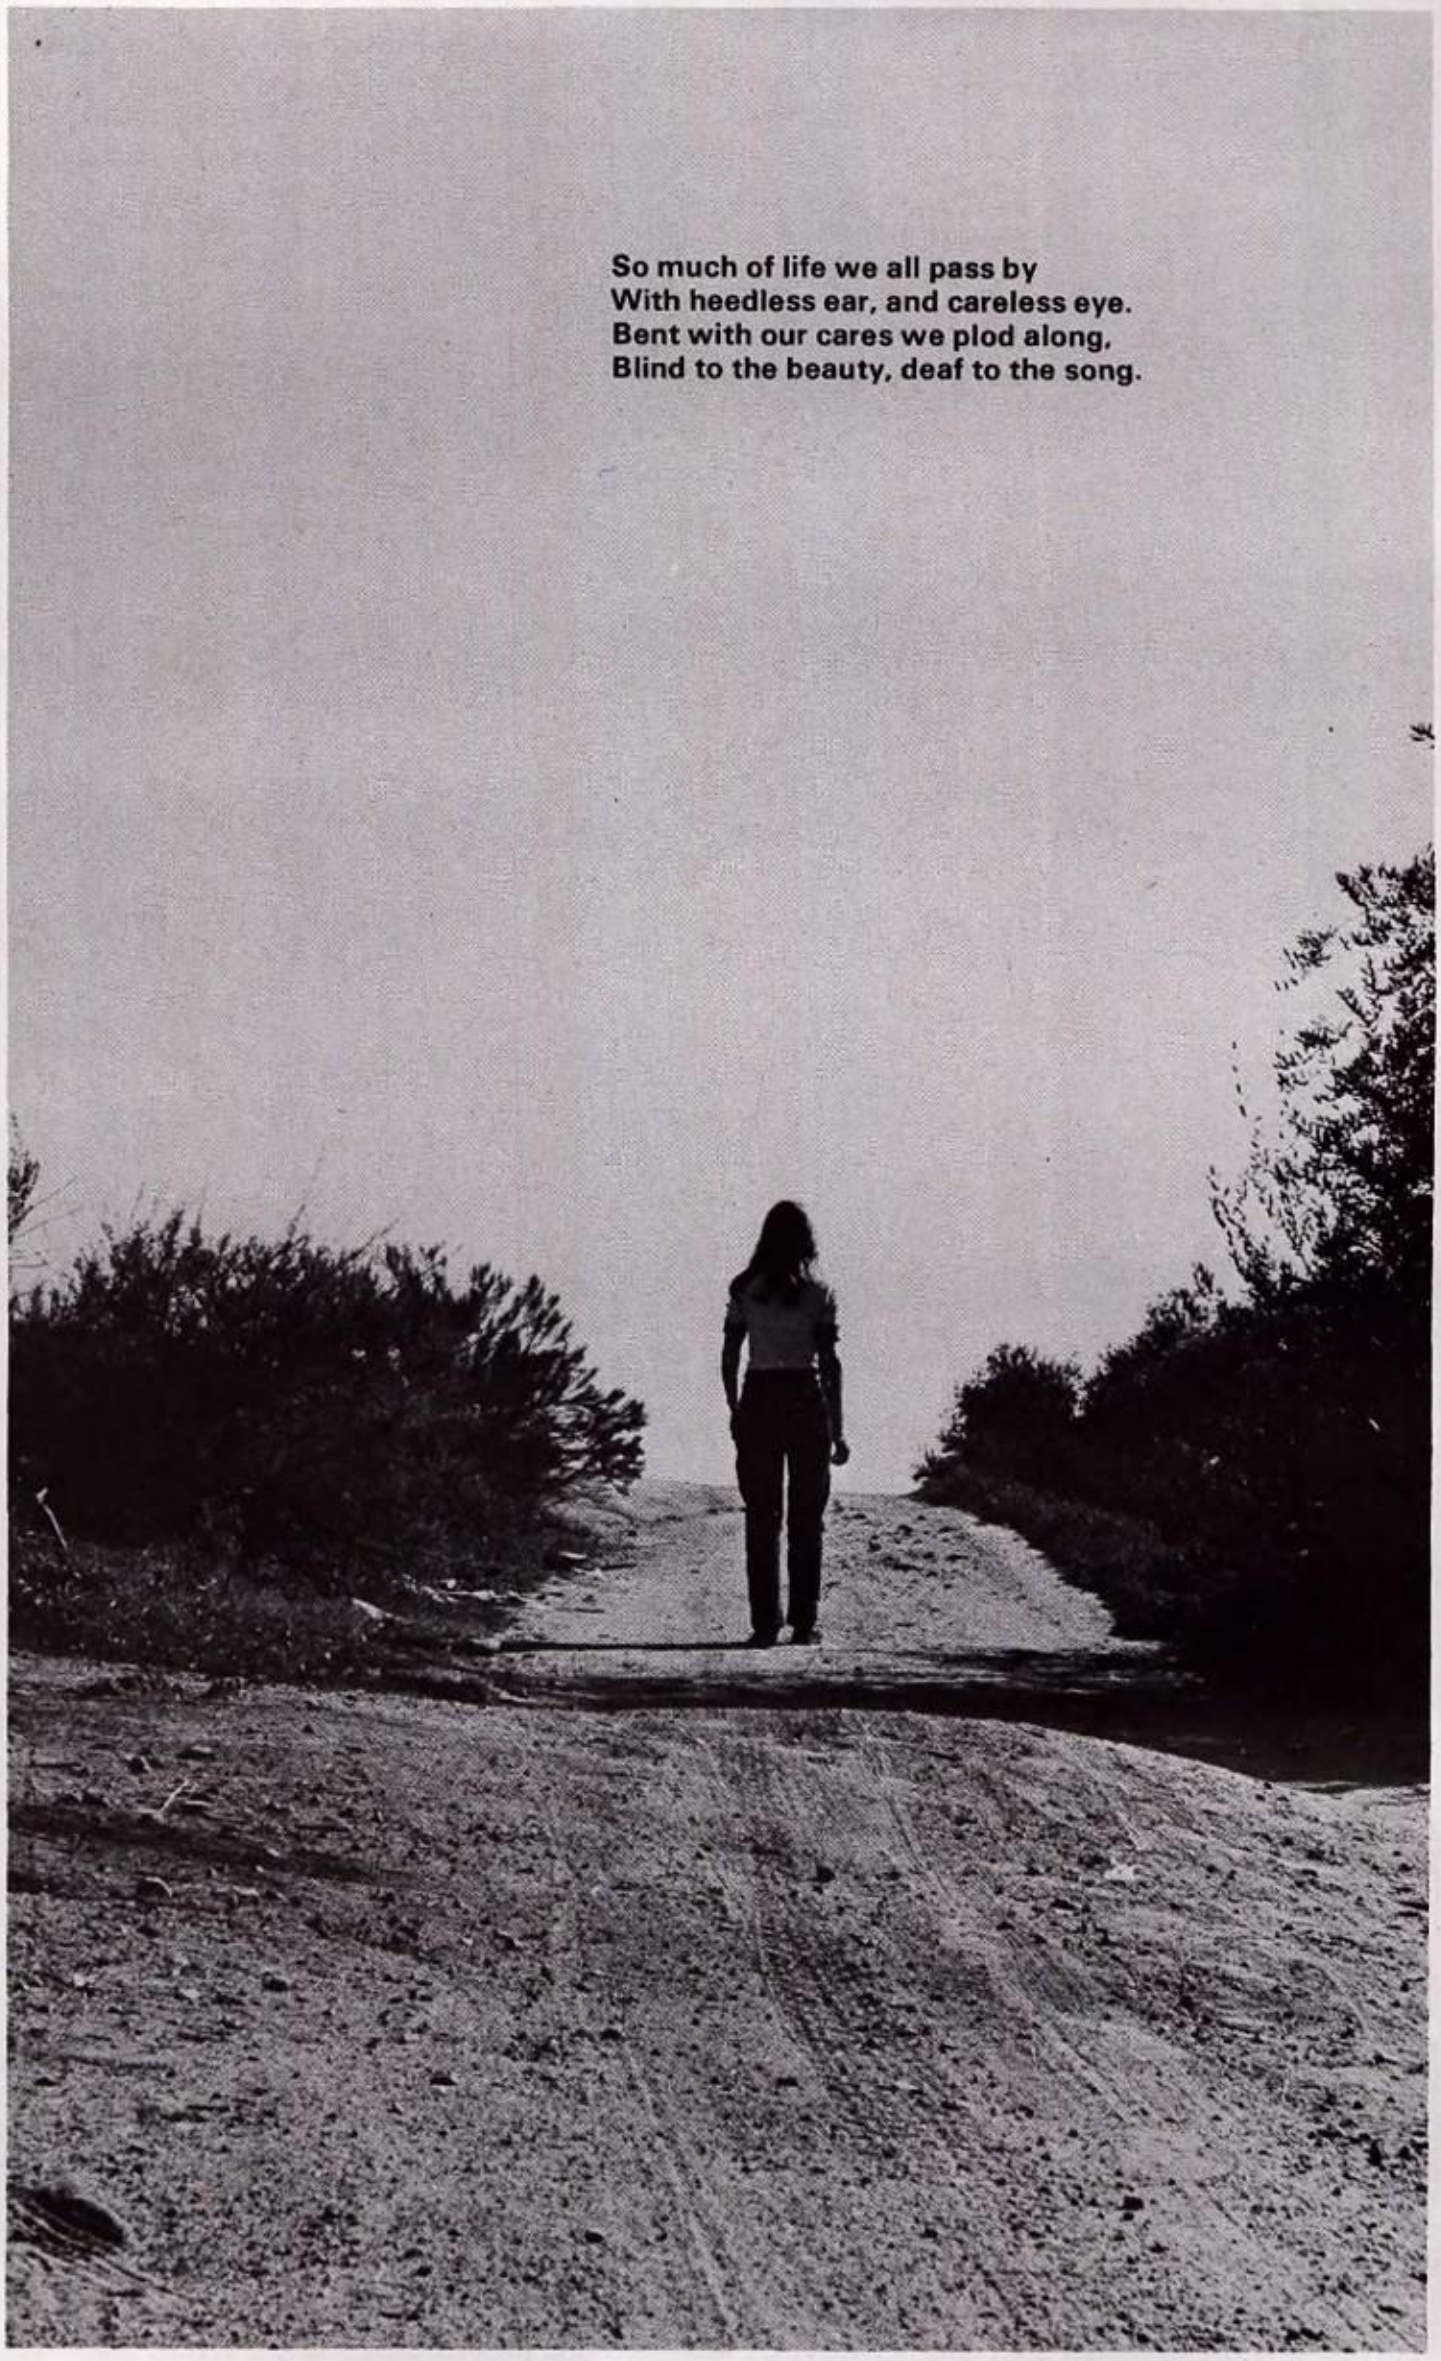
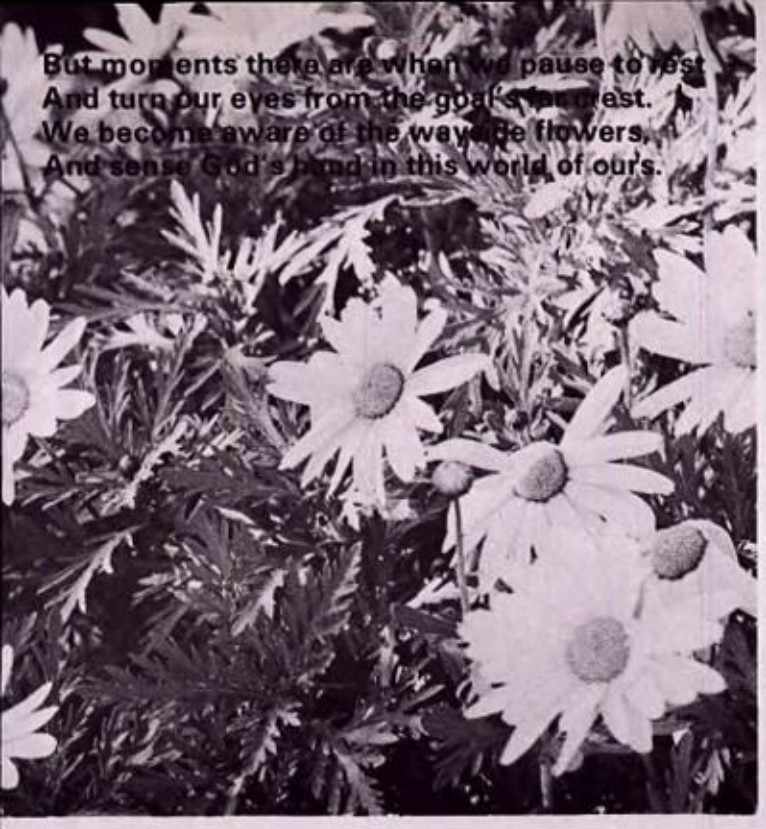
Moments Of Awareness

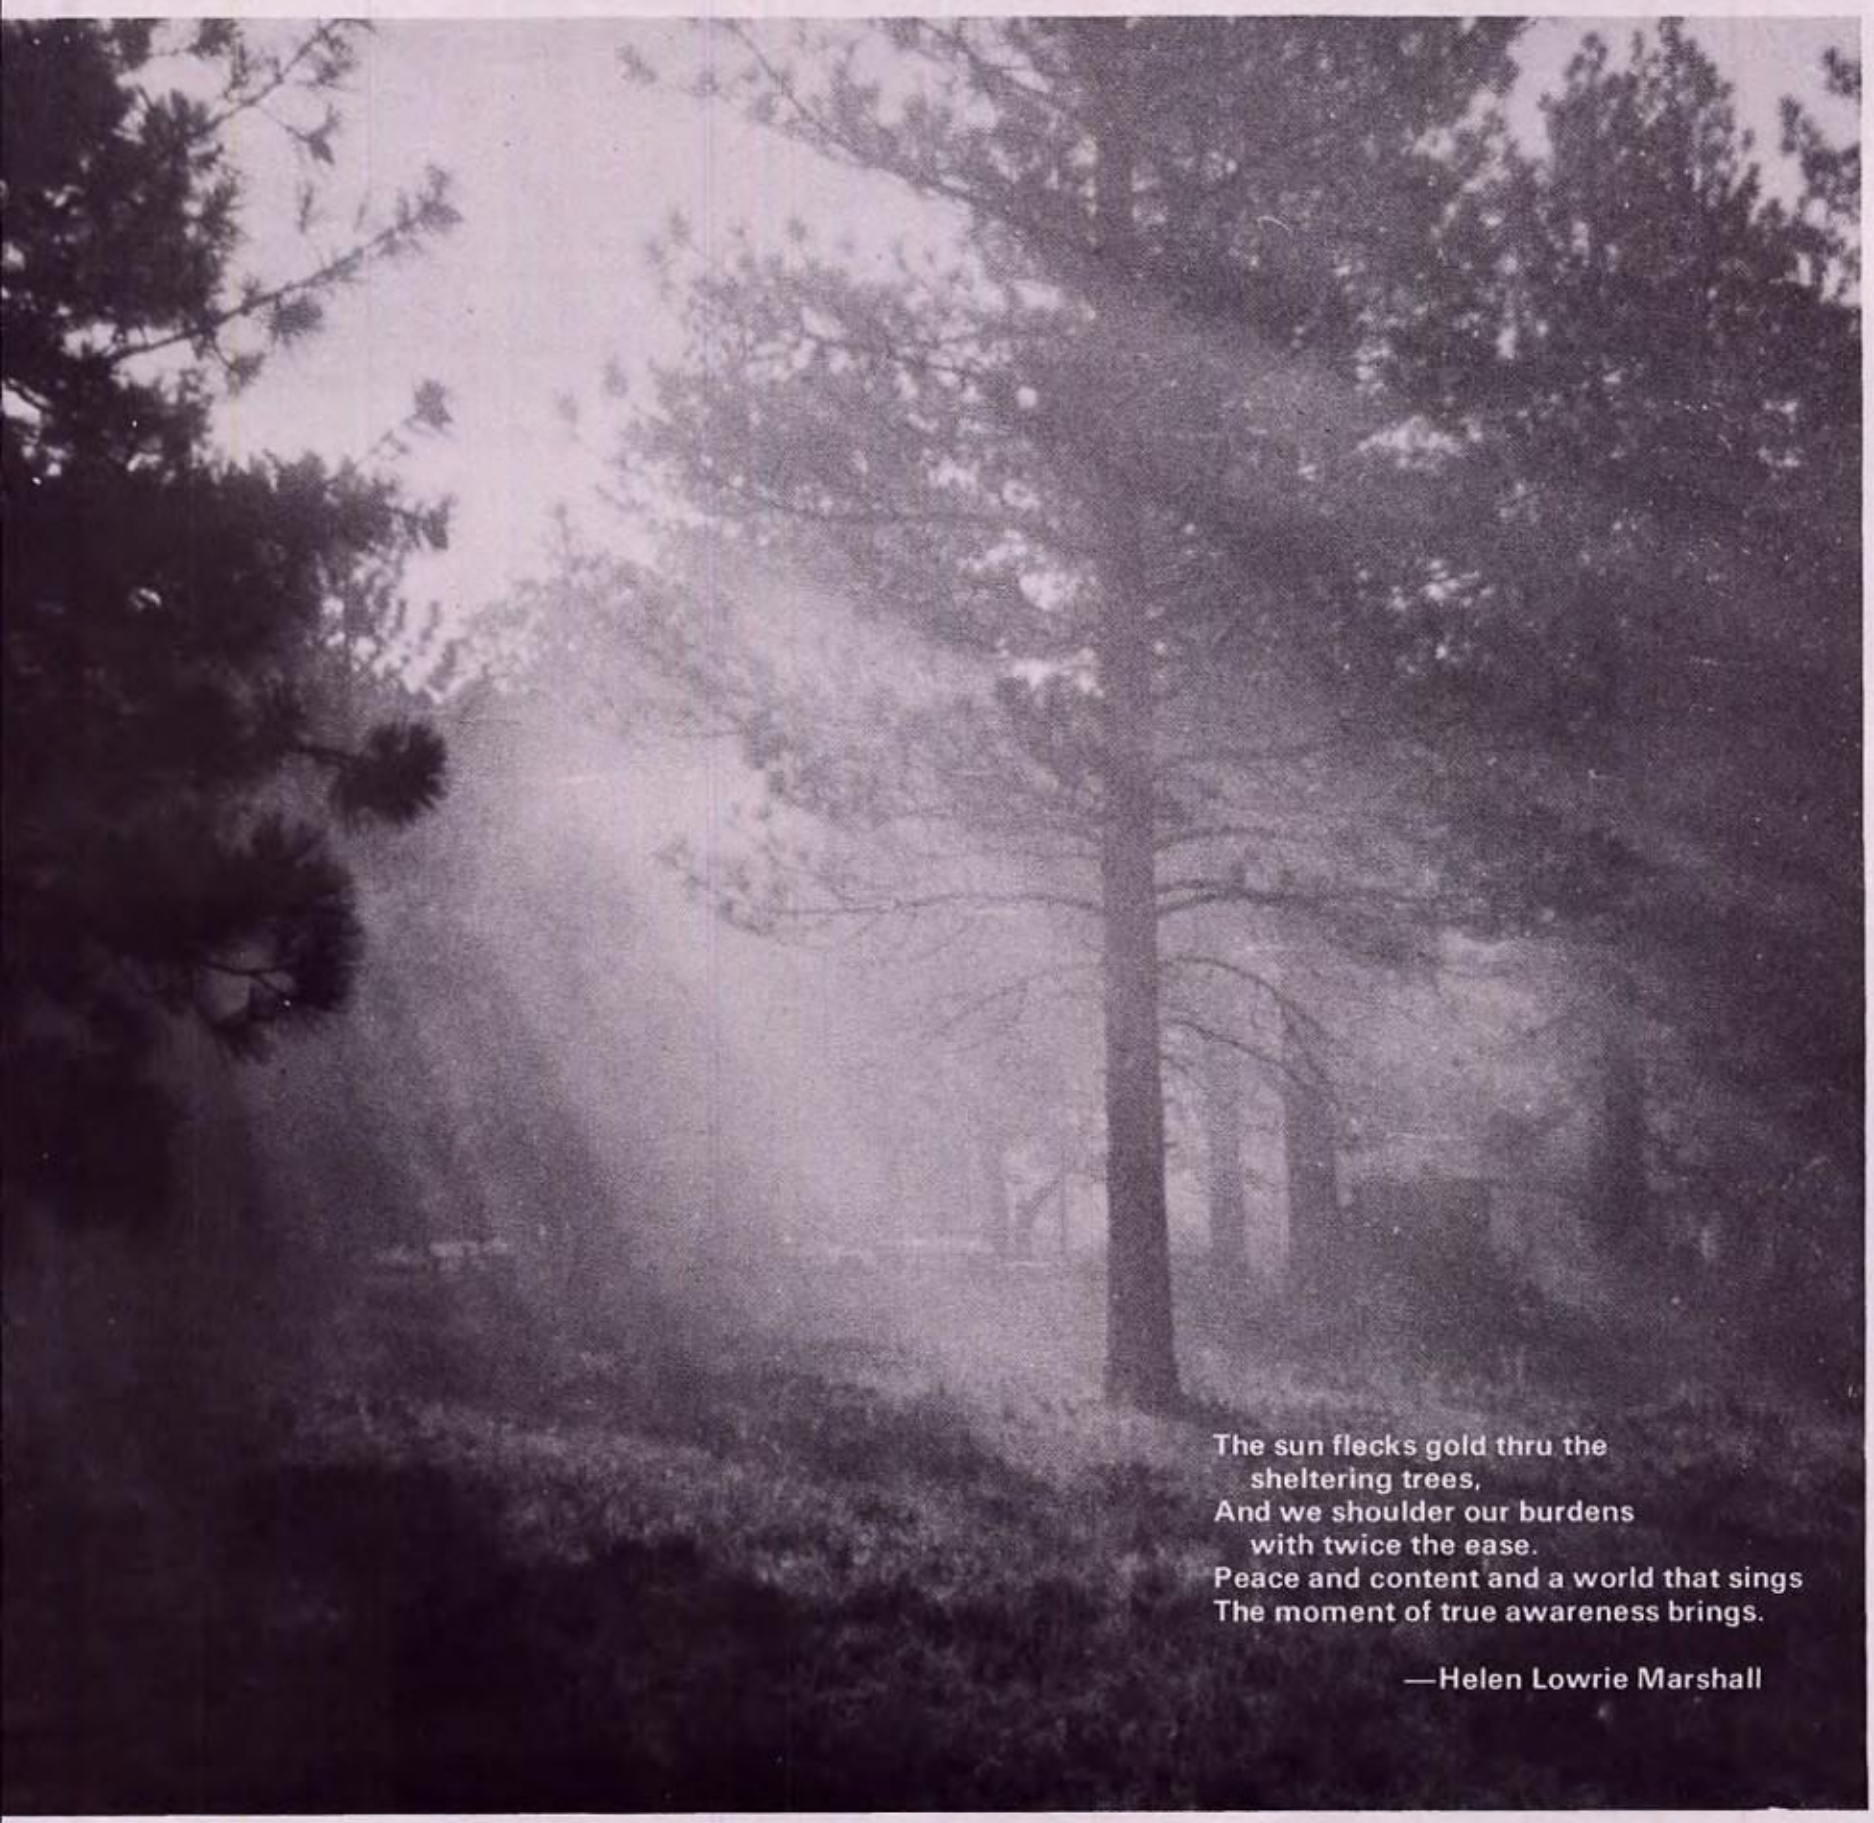
So much of life we all pass by
With heedless ear, and careless eye.
Bent with our cares we plod along,
Blind to the beauty, deaf to the song.





But moments there are when we pause to rest
And turn our eyes from the goal's far quest.
We become aware of the wayside flowers,
And sense God's hand in this world of ours.

We hear a refrain, we see a rainbow's end,
Or we look into a heart of a friend.
We feel at one with mankind. We share
His griefs and glories, joy and care.



The sun flecks gold thru the
sheltering trees,
And we shoulder our burdens
with twice the ease.
Peace and content and a world that sings
The moment of true awareness brings.

Operation Amigo Comes To Helix Campus

The 14th "Operation Amigo," a program to establish mutual understanding and friendship between the youth of this nation and Latin American countries, was launched at Helix High School on November 16th. This program is jointly sponsored by the Evening Tribune and the San Diego Union in cooperation with the Grossmont Union High School District. The twenty-four Mexican teenagers from Leon, Mexico, were the guests of Helix students and parents for two weeks. Activities for the Amigos included a tour of the San Diego Zoo, a trip to Palomar Observatory, and watching the Mother Goose Parade. They also took a break from classes to visit Scripps Institute of Oceanography and took a day-long trip to Disneyland. A harbor cruise and buffet dinner on the Marietta rounded out off-campus activities for the Amigos.

Principal Benton Hart explains campus activities to Senor Gallegos, chaperone for the Amigos.

The Highlander Marching Band . . . The Smell of Roses Is Never Too Sweet

For the first time in 20 years, the Highlander marching band won the privilege of representing San Diego County at the Rose Parade January 1st in Pasadena. The 82 member band competed against 27 other area bands for the honor. They won with a score of 94.9 out of a possible 100 points. That next week, the band was awarded an 85.0 out of a possible 90.0, the highest overall score in the parade at the Chaffey Tournament of Bands. That night, the band and drill team won 2nd runner-up at the halftime competition. But the winning didn't stop there. Drum major, Craig Perry tied for top honors with the drum major from Loara at Chaffey receiving a score of 93.0. Congratulations are in order for this fine group, and to their director, Mr. Kirk. Helix is very proud of their band's accomplishments.

Strike Up The Pep Band

The brass blares and drum beats of our fantastic Pep Band brought rhythm and spirit to many aspects of Helix life this year. They began their performances at the morning and evening orientation assemblies the Friday before the start of the 1971-72 school year. Keeping with the Helix tradition, the Pep Band accompanied the cheerleaders at all early morning pep rallies, spirit breakfasts, and assemblies. They continued to arouse spirit among the Highlanders by playing at all away football games. They entertained the clan at the Santana football game by doing a halftime show, along with the banner corps, saluting beans. As part of Operation Amigo, the band ventured to the airport to welcome the amigos to the U.S. Steve Leveen student director, has worked long, hard hours with the group after school and before events to perfect their great sound. Many thanks are in order to this fine organization for adding life and enjoyment to Helix.

Our Helix Bag Pipe Band has maintained the Scottish tradition since the school began. They have carried the Helix name to competitions as far away as Santa Rosa. This year, the band has accompanied our marching band to all their competitions including the Rose Parade on New Year's Day. The Pipe Band also sponsors a Highland games and competition every year. They are looking forward to many more successful years in the future.

Music With A Formal Touch

Now in its third year, the Helix orchestra is under new direction. As part of their school performances, they participated in the annual Christmas concert, along with the choir, and also the spring concert. The orchestra has worked long, hard hours preparing for each performance.

Hi-Steppers . . .
Victory With A Smile

The 1971-72 marching season proved to be another fabulous one for our Hi-Steppers. Among their many awards is a 2nd place for Autumn Band Review. They received the highest showmanship score of the 27 drill teams competing. The Hi-Steppers also won a sweepstakes trophy at the Chaffey Tournament of Bands in Ontario. They received a showmanship score of 292.5 out of a possible 300. Competition parades aren't the Hi-Stepper's only performances. This year, they performed with the band at an NFL Game of the Week and also at Disneyland. Congratulations go to these spirited, well-organized group of girls as they continue the traditional honor of winning.

Stands On The Bridge Of Success

"What can I say Dar, we blew it!"

Publishing history is a tremendous task that the TARTAN STAFF handles. With many deadlines to meet and pressures to overcome, the faculty and the student body never stop to realize what a difficult job these twenty-one people go through. After all the work though, many happy and satisfying moments occur. Working together throughout the year, the Staff learns the real joy of being one whole body. The Mens Clubs On Campus

Key Club is one of the more active clubs on the Helix Campus. Being a boy's club affiliated with the La Mesa Kiwanis, its activities tend towards service to the community. Among its list of projects are the Orange County tree plant, Y.M.C.A. Fatherless Indian Guide Program, the annual Kiwanis apple sale and the Lakeside wood cut.

One of the largest clubs on campus is the Lettermen's Club. This club consists of all the athletes at Helix who have earned a letter from any of the athletic teams whether it be football, baseball, cross country, basketball, track or swimming.

Although this year's International Club was smaller then it has been in past years the goals and high ideals of peace and understanding among all people remained the same. The club's annual A.F.S. bond drive which raises money to bring a foreign exchange student to Helix each year, was again a success. The club also participated in the A.F.S. assembly which is an annual event here at school, and sponsored the A.F.S. potluck and Donkey Basketball game.

Russian Club Delves Into Russian Culture

Members of the Russian Club are students of Mr. Nepo's Russian classes that are interested in the language, culture, and history of the Russian people. All members participated in events that focused on these common interests such as a Russian picnic.

Speech Team Enjoys A Winning Year

The Helix Speech Team has grown into one of the finest in San Diego County. At each tournament individual members came home victorious and the team as a whole gained many points towards winning the sweepstakes event at major tourneys. This year they participated at the Palomar Novice Tournament, San Diego State Interp Festival, and an overnight tournament at Holtville.

S.O.S. Club Aims Towards A Better World

The S.O.S. Club provides a chance for students to really do something about their natural environment. The club sponsors field trips and guest speakers which give a deeper insight into improving and preserving the earth's natural beauty.

Y-Teens

Y-Teens is a social and service club which stems from the national Y.W.C.A. The activities of each club varies widely and a project could range from having a "Joint" with a boy's club from another school to sponsoring a Grandmother at a convalescent home. This year our Helix Y-Teens have worked successfully on such special functions as World Festival on December 11, the spring formal dance, Carousel, and Trick or Treat for U.N.I.C.E.F. on Halloween. The Y-Teens from all the schools in San Diego participate in these three annual events. Working together on these activities. Many warm friendships begin and worthwhile projects are completed which provide happiness for many people.

D.E.C.A. (Distributive Education Clubs of America) teaches its members skills that can be used in future business careers. The club has many annual money-making projects that the students totally work on themselves. Some of these successful endeavors are the xmas gift-wrap at Grossmont Center, running of concessions at all home football games, and the selling of coffee and donuts at the adult night school. In the special D.E.C.A. class members are provided with instruction on merchandising, salesmanship, and advertising. In the spring of 1971 our chapter was awarded the honor of being named D.E.C.A. 'Chapter of the Year' at the national finals for their outstanding efforts in the various fields of business operation.

Journalists Make Up Quill And Scroll Club

FRONT ROW: J. Knipe, B. Latimer, B. Humphrey, T. Wells, A. Teague, P. Medeiros, L. Dowling; BACK ROW: D. Roberts, B. Orsborn, R. Meek.

Quill and Scroll is an honorary club for high school journalists with one semester to their credit of participation on either the Fling Staff or TARTAN Staff. This club is a national journalism society with a magazine that is provided for members. To be accepted the staff advisor must recommend the student and he must be in the upper one-third of his class.

Fling Staff Climbs To The Top

The Fling staff, defending sweepstakes champions of Journalism Education Association's San Diego City-County annual writing contest and third place winners in JEA's southern California regional meet, endeavors to promote Helix programs and aspirations.

Highlights of the year were special homecoming and nominating convention issues. Lively editorial comment was a characteristic of this year's issues.

Efficiency, Service Accent Feminine Groups

SECS-Ltd., a club for future secretaries, affords students the opportunities to learn and experience the secretarial field. Through service projects and regular meetings its students can acquaint themselves better with the up-to-date world of today's secretary.

"S" Club is a girls' service organization sponsored by the Saroptomist Club of La Mesa. Its activities include working both for the school and community by having money-raising projects such as car washes and faculty bake sales, ushering at Helix events, supporting monetarily Helix projects, and helping those less fortunate at Casa Blanca and the La Mesa Convalescent Home. The girls also plan programs for themselves, such as learning about women's professions, which will help them become better young women.

Girls' League Finds Satisfaction In Service

Membership in Girls' League includes every girl at Helix. This huge organization is led by the cabinet, which consists of four officers and seven committee chairmen. This year's cabinet enjoyed an outstanding year as every activity proved to be a great success. The annual events sponsored by Girls' League are always anxiously anticipated and this year was no exception. The 1971-72 Girls' League cabinet truly deserves praise for a job well done.

Leading Lads And Lassies Make The Scene

For the first time this year, Helix has both leading lads and lassies. Chosen by the Senior girls and Girls' League Cabinet, these 32 Seniors were awarded the honor of either leading lad or lassie on the basis of their personality and school service in their four years at Helix, whether it be in student government, athletics, Fling, Girls' League, TARTAN, Cheerleading, or any number of the other clubs and activities on campus. The Fling recognizes these individuals by featuring each of them in an edition of the paper. Many thanks go to these Seniors for donating their extra time to make Helix a more involved school.

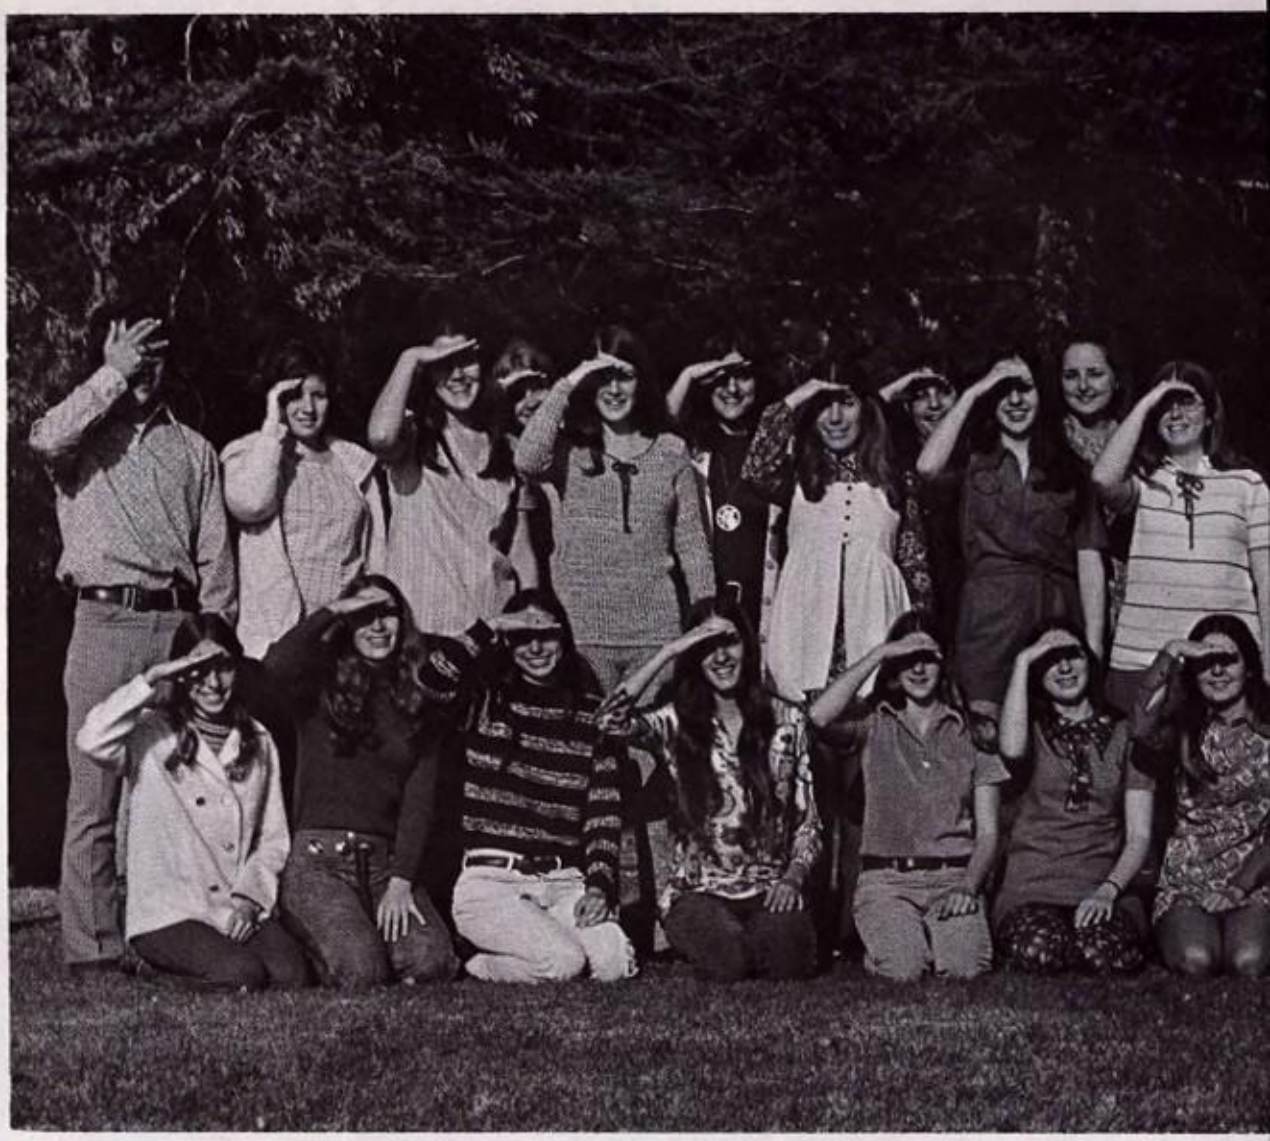
Girls' League Committees Consolidate Efforts

Thanks to the Girls' League Committees, Helix students were able to enjoy many activities on campus this year. Among the list includes the Frosh Picnic, Alumni Tea, Christmas Dance, Canned Food Drive, Fashionality Night, Girls' League Week, and Sadie Hawkins Spring Dance. Indeed, these committees worked long, hard hours to bring these events to the students at Helix.



CHRISTMAS DANCE — Front Row: D. Costello, M. Papoulias, C. Duarte, M. Harper, D. Miller, M. Kirchener, D. White; Back Row: J. DeCarli, K. Kilkenny, D. Davis, B. Latimer, G. Grunder, E. Manusos, P. Medeiros, J. Knipe, D. Grimard, T. Wells, D. Higgins.

Inter-Faith Spreads The Light

Inter-Faith Council is for people of all denominations that wish to share their faith with other students. The Council provides a chance for Christian fellowship on campus through Bible studies and regular meetings where students witness and share their own personal experiences with those that are there to listen and learn.

C.S.F. (California Scholarship Federation) members must earn at least ten points on their semester report cards based on three points for each "A" and two points for each "B" received. A student becomes a C.S.F. Sealbearer when he has been a member for four semesters one of which must be during his Senior year. This special award on a diploma provides the scholar with many opportunities for special scholarships and prizes at several colleges. The club has regular meetings with guest speakers and they also go on field trips to locations of interest to members.

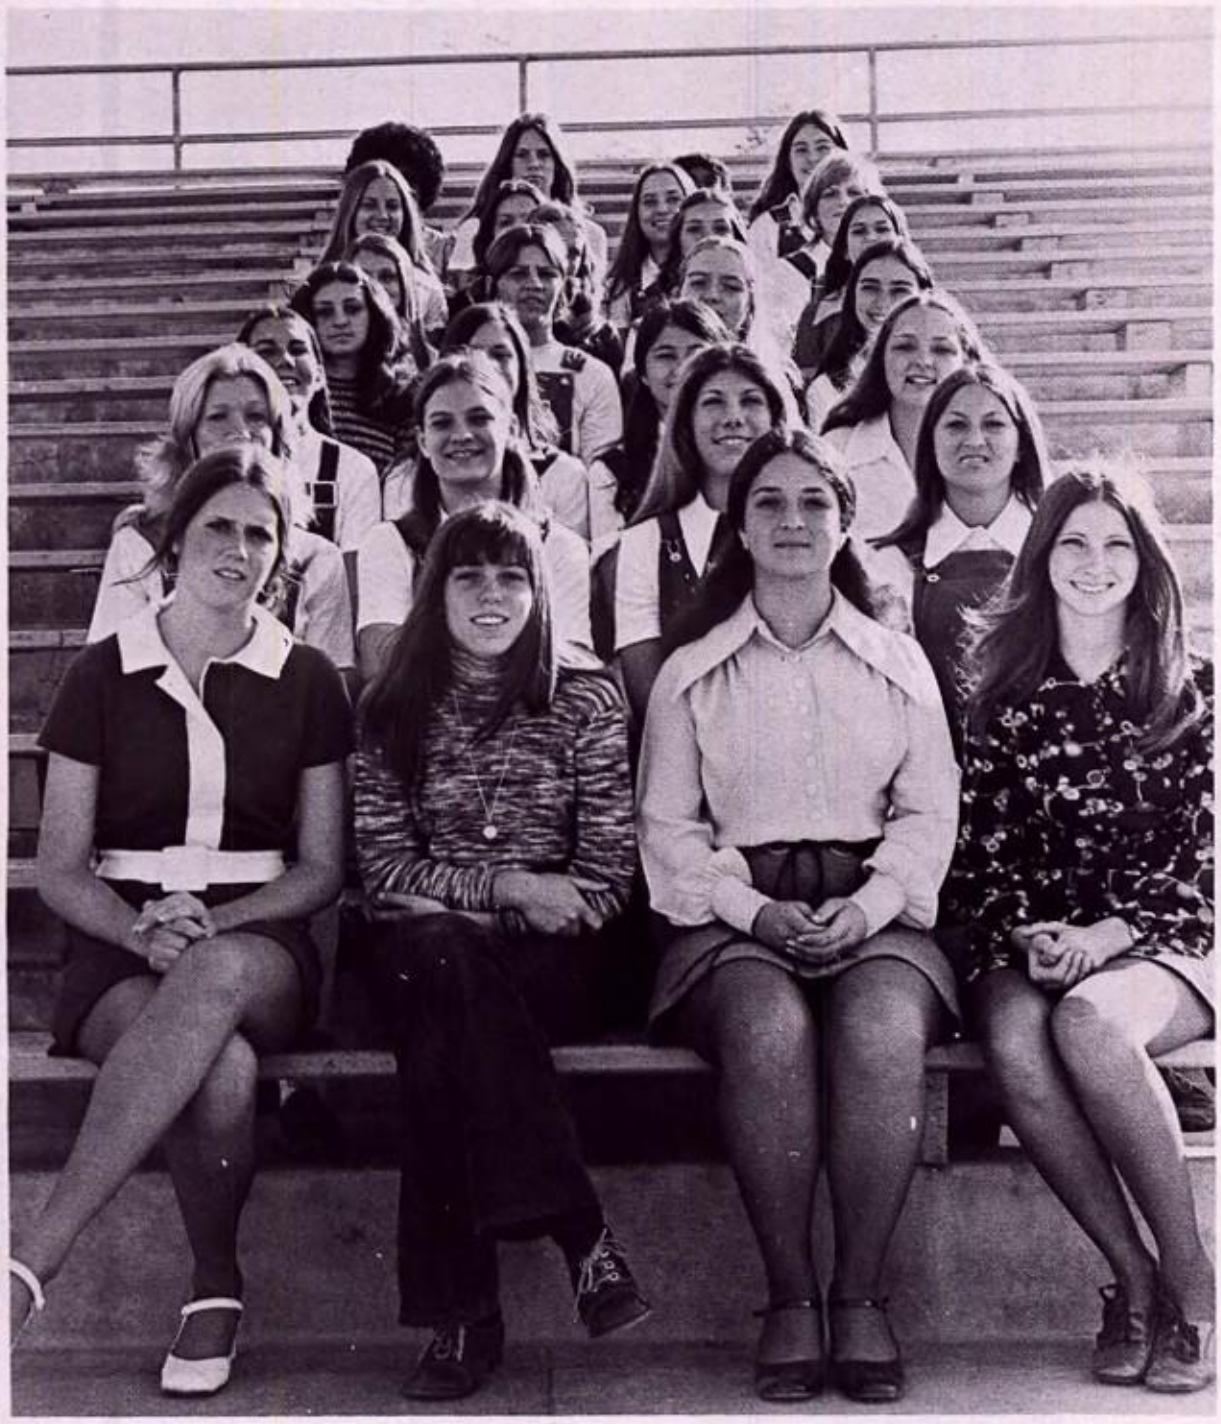
Spirited Clubs Cheer Teams To Victory

BENCHWARMERS; Front row: A. Sinkes, L. Warren, L. Friar, P. Medeiros, M. Asaro, L. Kirby, M. Lorraine, P. Graver, D. Banker. Back Row: D. Davis, J. Robinson, C. Brown, T. Wells, C. Duarte, M. Anderson, C. Anderson, M. Scott, M. Papoulias.



Benchwarmers is a spirit club composed strictly of senior girls. They wear outfits that are alike to give them unity as a group and they sit together in the cheering section of all the football and basketball games. Benchwarmers go on to the football field during half-time to "warm" the bench until the players return. At all games this club can be seen providing color and generating spirit.

Green Peppers is one of the largest clubs on campus and its goal is the purpose of generating spirit at all athletic events with the help of the cheerleaders and benchwarmers. The club consists of nearly 35 girls who try to attend, not only football and basketball games, track meets, and wrestling matches. Members of Green Peppers can usually be found in the cheering section shaking their shakers wearing green and white, and shouting for their team.

C.C.C. Rifle Team Takes Third In C.I.F.

The California Cadet Corps was founded in 1911 and has meant leadership in action from the first day Helix opened its doors. The Rifle Team of the CCC took third this year in CIF finals and went on to contend in the state finals. Commendations go to this fine group.

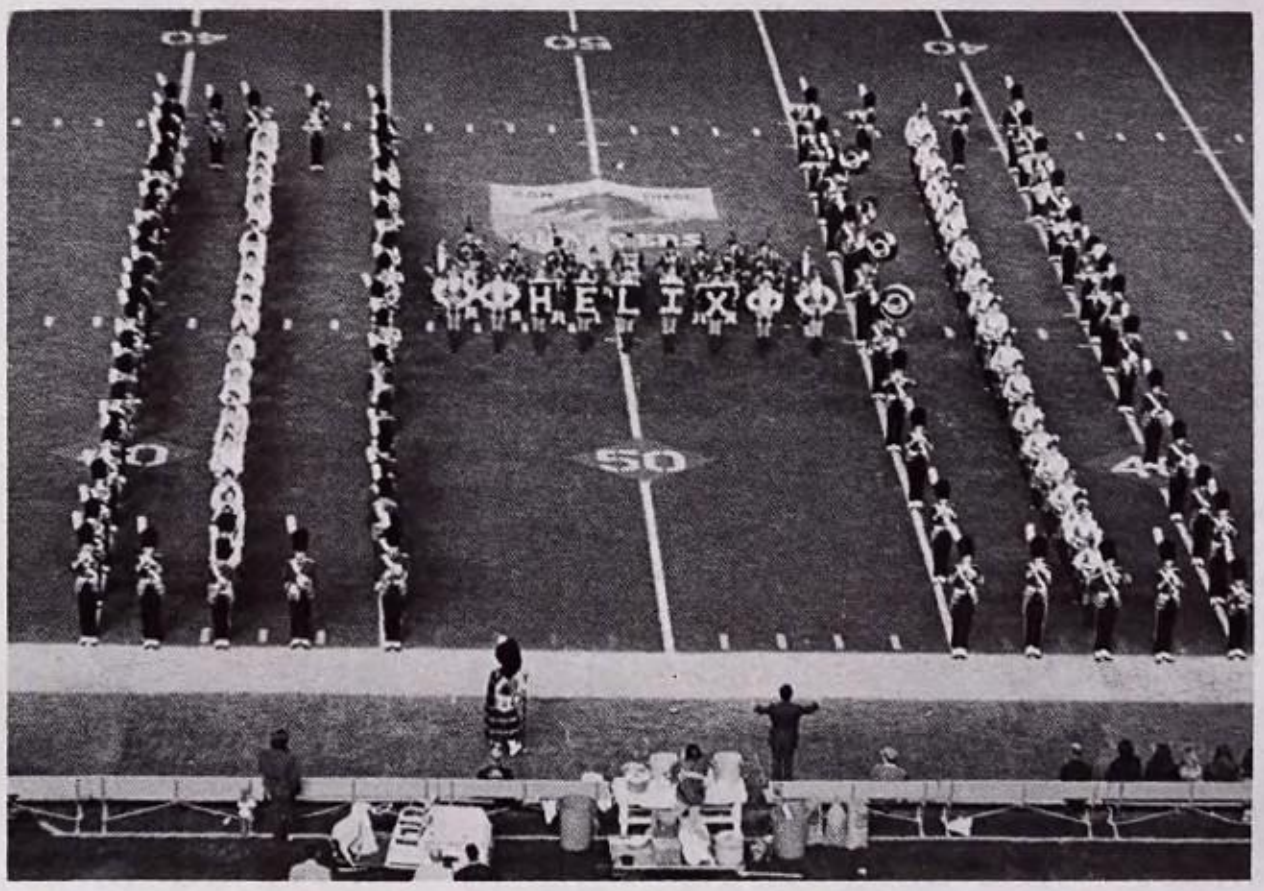
Clubs In Action

The Organizations' section of the '72 TARTAN dedicates these two pages to all the clubs on campus which help to bring enjoyment and excitement to the students at Helix.

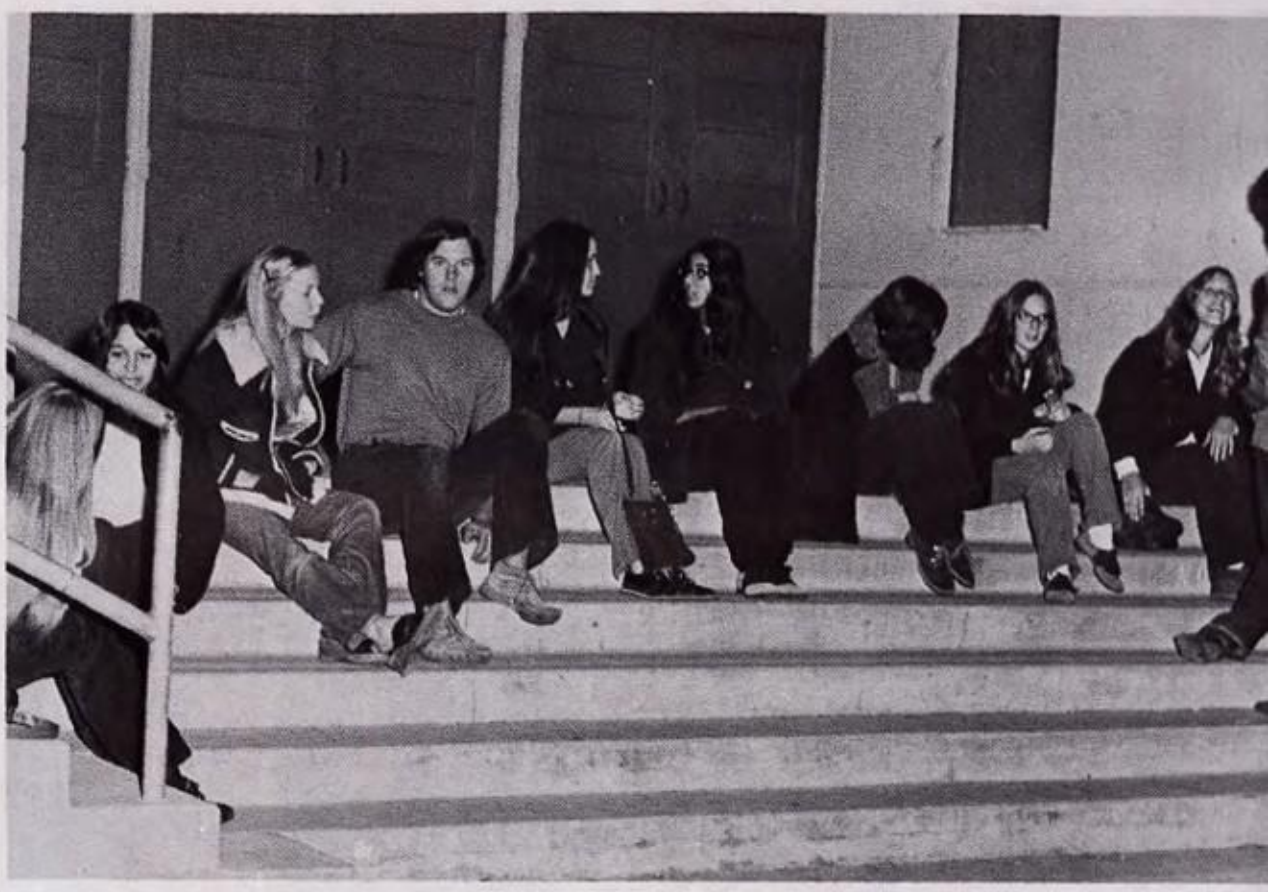
Benchwarmers brought extra spirit to football and basketball games.

Marie Rouillard expresses her disapproval of suggestion made at Jr. Y-Teens meeting.



The band and corps form the traditional "H" at a Charger half-time show.

Darlene Salmon and Meg Moore do their "drama thing."



Helix students anxiously await Campus Life's presentation of Larry Norman.

A Modern Dance Club was started this year for all interested girls.

PTSA Members: K. Quinn, L. Machado, K. McCartney, B. Wagner, D. Touchet, R. Able, D. Kronkright, P. Mastro, R. Epps.

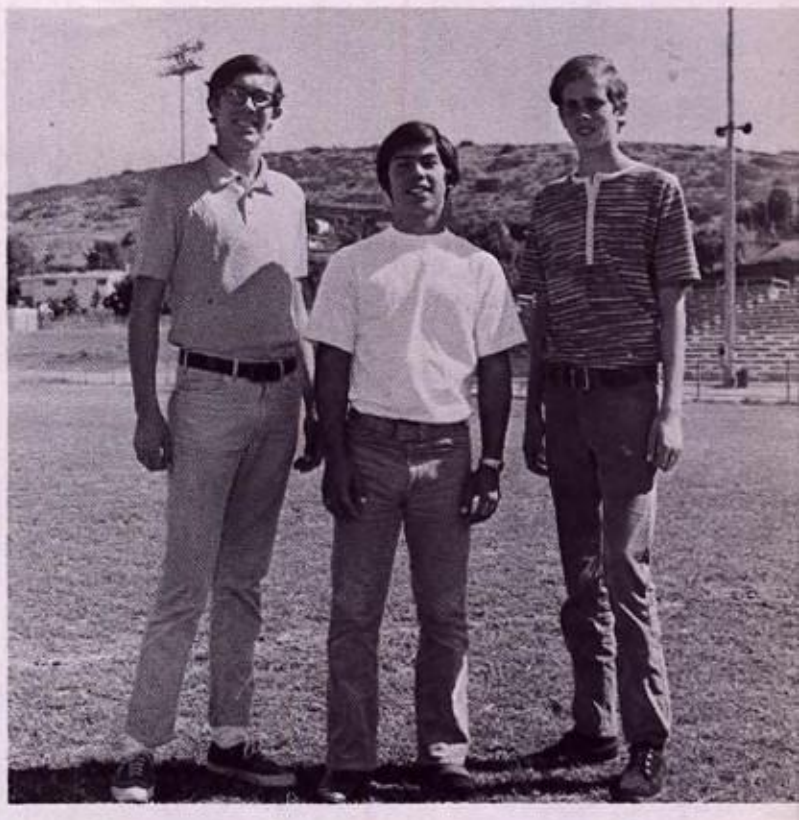
The Green Machine rejoices over a 28-18 win over League Champs El Capitan as Frank Woolrich and Kim Grote carry Coach Hammerschmidt.

All-League candidate Ken Sluder grabs a touchdown pass against the tough Matadors.



Statisticians: Russell Meek, defense; Fernando Martinez, Head offense-defense; Leon Moranville, offense.

Team Of '72 Gets It Together

Coaches: Doug Matheson; Al Hammerschmidt, Head Coach; Jim Arnaiz.

With a young inexperienced team, the Green Machine, led by Jim Browning and Frank Woolrich, rolled to a great 6-3 season. Placing third in league competition the Scots led the league in offense with such all league players as Jim, Frank, Ken Sluder (league leaders in their respective positions), Sam Smith, and Chip Swanson. Defensively, the trio of junior linebackers led by Scott Drummond, Highlander award winner for best defensive performance, sparked a good solid bunch. This team has been one of the best teams at Helix for years and will sure give many good memories to the class of 1972 and the coaching staff.

The Frosh and J.V. football squads, battling the many tough teams in the Grossmont League, showed the spirit and the fight that is always traditional of a Helix team. Even with lack of size and inexperience, they were still able to grind out three victories between the two of them, and maintained a high morale throughout the season. Thanks to their great coaches, Warren Vinton, Charles Kahan, and Richard Langston.

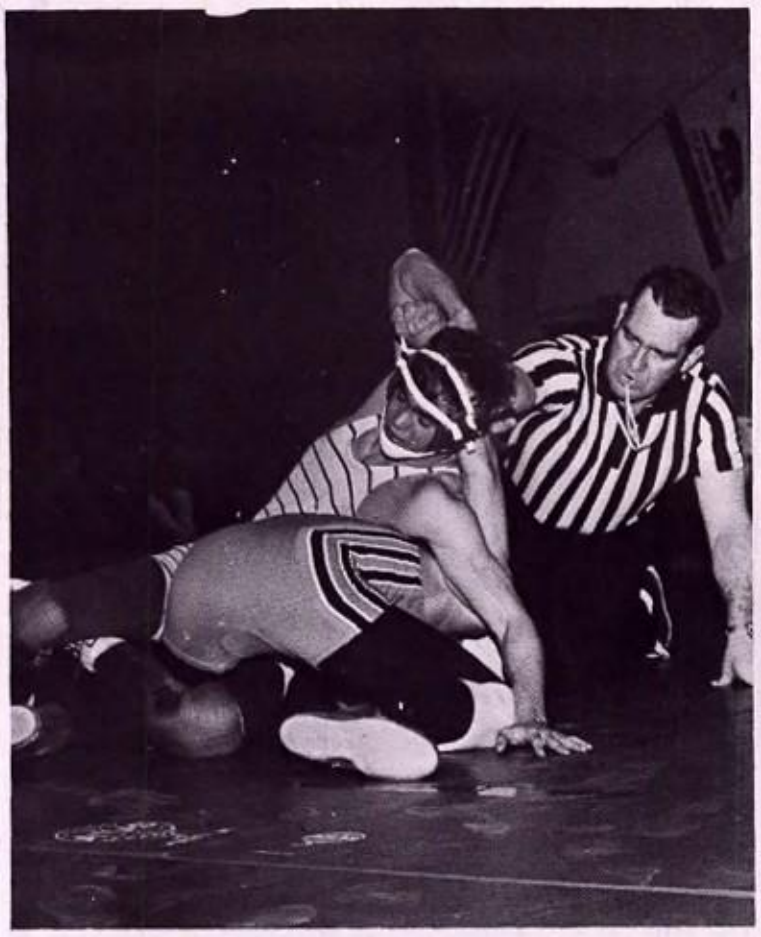
Varsity Matmen Surfboard Opponents



All C.I.F. Dan Faulk wraps up his prey.

You devil, Langston!

With many outstanding performers, the 1972 Varsity Wrestling Team tied for third in a strong Grossmont League. Going undefeated in non-league competition, Coach Langston's gang prepared themselves for a tough year. Losing their first two league meets by a total of 6 points, the Highlander matmen got busy up that long hard road. Winning four out of their last five matches the Scots finished strong after a slow start. Chip Swanson, 1st in CIF, led the team with Paul Hart, Dennis Johnson, both 3rd in CIF, helping out the cause. Congratulations to these wrestlers and to the team for a great season.

Compiling a team of wrestlers to compete in a sport which demands great physical endurance has always been a hard fought accomplishment at Helix. This year's frosh wrestlers brought home this idea. Pacing themselves to a 3-4-0 record in league play, they showed the endurance and showmanship of an outstanding team at Helix, whether they win or lose. Congratulations Frosh!

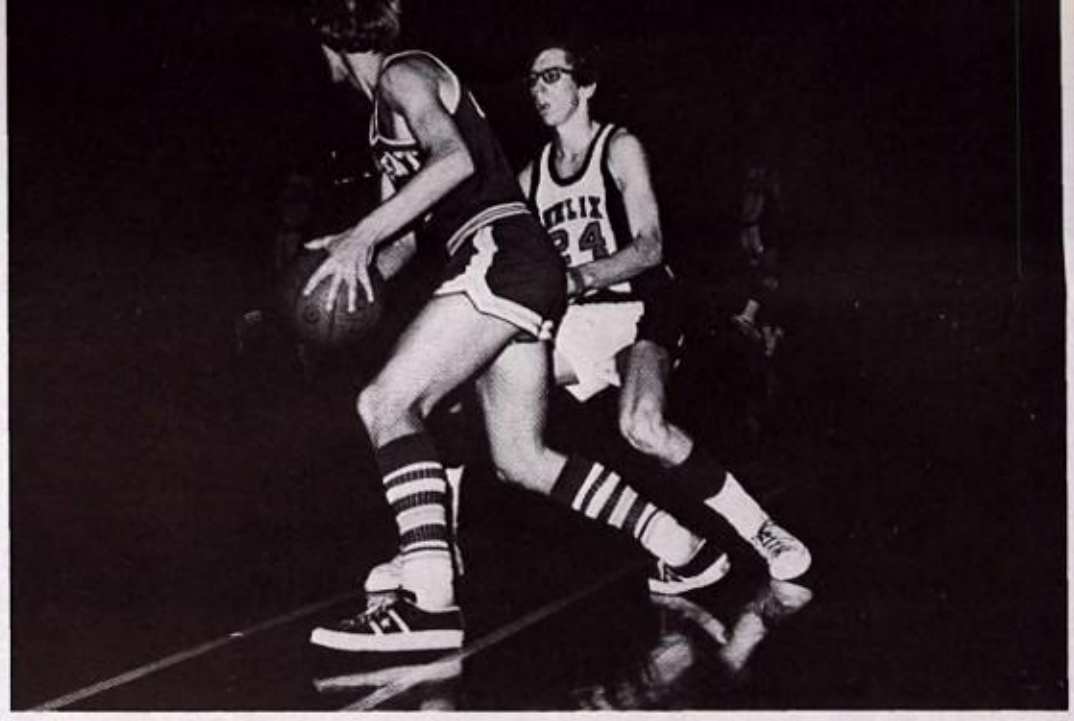
Scots Come On Strong To Place #2 In C.I.F.



Once again the mighty Highlanders of La Mesa, took the early lead in the race to win the Grossmont League Championship. After winning the La Mesa Kiwanis Basketball Tournament, it looked as though the Scots were once again number one. However, as they approached mid-season, Coach Nash was faced with a serious problem of getting his team to put more points on the board. After trying many of Nash's methods the team finally started clicking once again. Recovering from the slump was asking the impossible, but what do you expect from our Scots? They never let us down as the Scots came back to finish with a strong second place in the Grossmont League and a berth in the C.I.F. playoffs. Going on to win three consecutive playoff games including a big upset over highly ranked Bonita Vista, our team was to face one more test, the Grossmont Foothillers. In one of the closest games in prep history, our team fought bravely down to the last seconds of the game when Ralph Drollinger pumped in two big ones to clinch the game and the C.I.F. title for his Foothillers. Our team can be nothing but praised for its fine efforts and achievements that has made our school one of the finest in San Diego County. Thanks team!

This year's Varsity Track Team has again opened up a winning season at Helix. Heading towards a top league standing, Helix has produced many outstanding athletes who helped in their quest for a league title. Aming these are Mike Brothers in the 440 and 880, Paul Mayer and Randy Davis in the 120 and 180 hurdles, while in the field event, we have Tom Kerr in the high jump and Bill Ruegg in the pole vault. So congratulations are due, individually and team wise, as Helix has again come through in their winning style!

Varsity Golf Strokes To Victory

Led by such "swingers" as Mark Padilla, Jim Law, Carl Thunberg, and Mike Matheny, the '72 Varsity Golf Team "teed-off" and showed that they were really "up to par". Coach Vinton's gang were tough throughout the season as they showed the "iron" strength of a real fine team.

Beginning the season with three outstanding pitching performances, the Varsity Baseball team got off to a great start in 1972. Tom Erautt started things off with a two-hit shutout gem against La Jolla. Hoover, always tough, got four runs off of Ken Sluder to tie the game up but Ken came back strong to shut them out in the late innings. Junior Clay Fox came up with six shutout innings after a shakey start to beat Hilltop 5-4. Hitters like Dan Hiben with six hits in the first three games and Glen Jarvis with two homers provided spark to a surprising explosive offense. Coach Lucas guided the fine Highlander club to a great season and high standings.

J.V. And Frosh Have Slow Starting Seasons

Lacking discipline and co-ordination, both J.V. and Frosh baseball teams had slow starts in their seasons. Coach Hammerschmidt considered his team "hard to work with," having many problemed players.

Coaching the Frosh was Mr. Nash. He had many fine players but were unable to put it together. We hope these teams much luck in the future.

This year's Varsity Swimming Team was left with an insurmountable task to accomplish picking up where last year's record breaking team left off. Under the skillful leadership of Coach Crawford, the team worked out, two times a day, six days a week, in order to make up for this deficit. But due to lack of depth in most events, the team was left short in combating the leagues top contenders. In all, great efforts were put in by all swimmers and we would like to congratulate seniors Rick White and Ed Murawsky and also juniors Bill Busick, Pat Hurley and Dan Faulk for their outstanding year on the team.

J.V. Follows Up With Wet Season

Junior Bill Busick catches his breath after placing in the 100 Freestyle.

Junior Dan Faulk takes the backstroke in route to victory.

Next year's varsity will be a promising young group with many fine athletes. Coach Crawford felt optimistic for his J.V. and hopes to have a strong league contender in the coming season. After a rough start, the J.V.'s came back to capture some good contests with strong opponents. In the future we hope for continued success for them.

Helix Hoopsters Build Title Hopes

Basketball, one of the most sought after sports, attracts many girls annually. Grossmont District teams vie for championship honors, while skill and sportsmanship flourish in the atmosphere of good-hearted competition. Career Choices Varied

One of the most outstanding classes ever to graduate from Helix is the class of '72. From the beginning of their Freshman year they showed promise of becoming enthusiastically active in every aspect of school life. As Seniors they expressed qualities of leadership, and created many new and exciting ideas. The academically excellent students pictured here are recognized among the top ten per-cent of their graduating class. These honor students earned recognition because of pride in themselves and dedication to their school.

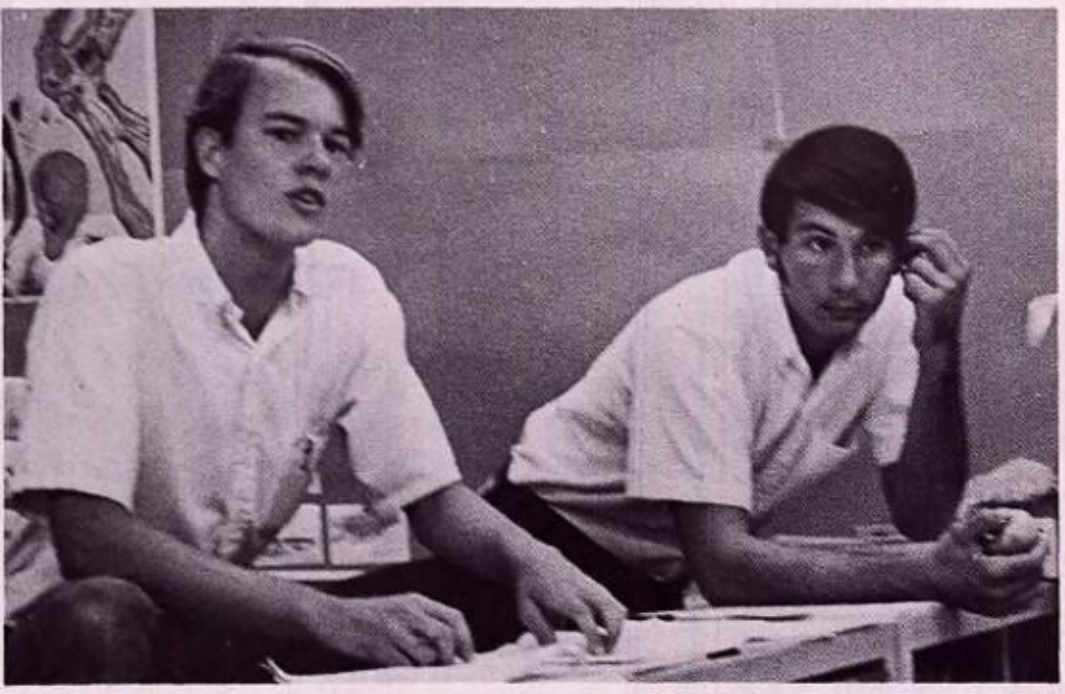
Spirit In The Class Of '72



Get the cotton out and get with it, Schniepp!

This year's Senior Board consisted of sixteen students who were responsible for organizing and carrying out his or her particular Senior activity. Through hard work and devotion, these Seniors provided the Class of '72 with both a successful as well as memorable Senior year. Senior Class President, Craig Mehaffie, headed the clan that made all the important decisions during the year. With Mr. Hart's help and advisor, Robert Keppler, the board planned many worthwhile activities. The Prom highlighted the year, as it was one of the best ever. Of course, every senior looked forward to that glorious occasion, graduation!

Scholars Bestowed With Bank Of America Certificate And Plaque Winner Honors

The Bank of America took great pleasure in commending fifteen students and encouraged them to pursue their education. Their intellectual talent represents an important and much needed natural resource. These Bank of America Plaque and Certificate winners were initially selected by the faculty at Helix. Each year all departments at the school are requested to submit names of students who excelled in particular subject areas. After the final selection was made each winner was the recipient of a cash award.

CSF Sealbearers Accomplish Superior Record

Robert Abel

Greta Berg

To be life members of Sealbearers of the California Scholarship Federation, students must qualify for membership at least four semesters in their Sophomore, Junior, and Senior years. One membership must have occurred in the Senior year. The seal of the CSF is attached to the diploma of those students who qualified as life members. Greta Berg and Lisa Heerwald had the distinction of qualifying for membership every semester.

Twenty-two Helix students qualified to be California State Scholarship Semifinalists. These individuals were selected on their grade point average and score on the Scholastic Aptitude Test. A state scholarship is not just a prize for scholastic achievement. Rather it is a grant of money to be used for payment of college tuition for those with exceptional ability and achievement, and who are in need of financial assistance. Awards at independent colleges range from $500 to $2,000. At the University of California awards range from $300 to $600. In the course of an evaluation, particular attention is paid to the projected family income for 1972, as well as to the current assets of the family.

Since the founding of Helix High School it has been traditional to recognize Juniors who are at the top of their class in scholastic standing by inviting them to participate in graduation ceremonies. At the beginning of school each year entering freshmen are officially welcomed as they pass through a formation of honor students adorned with the official tartan of plaid of our Clan. Torch Bearers complete the formation as the Highland theme is enhanced by their striking appearance. Graduation Ushers, Baccalaureate Ushers and Graduation Assistants also have maintained a high grade-point average placing them in the top 10% of their class. Through the achievements and participation of these outstanding students Helix is truly the possessor of a proud tradition.

Students discover the Guidance Center a serious place to be!

Myself

I have to live with myself, and so
I want to be fit for myself to know,
I want to be able, as days go by,
Always to look myself straight in the eye;
I don't want to stand, with the setting sun,
And hate myself for the things I have done.

I want to go out with my head erect,
I want to deserve all men's respect;
But here in the struggle for fame and pelf
I want to be able to like myself.
I don't want to look at myself and know
That I'm bluster and bluff and empty show.

I can never hide myself from me;
I can see what others may never see;
I know what others may never know,
I can never fool myself, and so,
Whatever happens, I want to be
Self-respecting and conscience free.

Highlander Administration Supports Greater Involvement

The administration at Helix High School, headed by principal Benton Hart, has brought about many new changes this year. Basing its philosophy on the greater involvement of students and teachers, the administration endeavored and succeeded in bringing out another prosperous year at Helix.

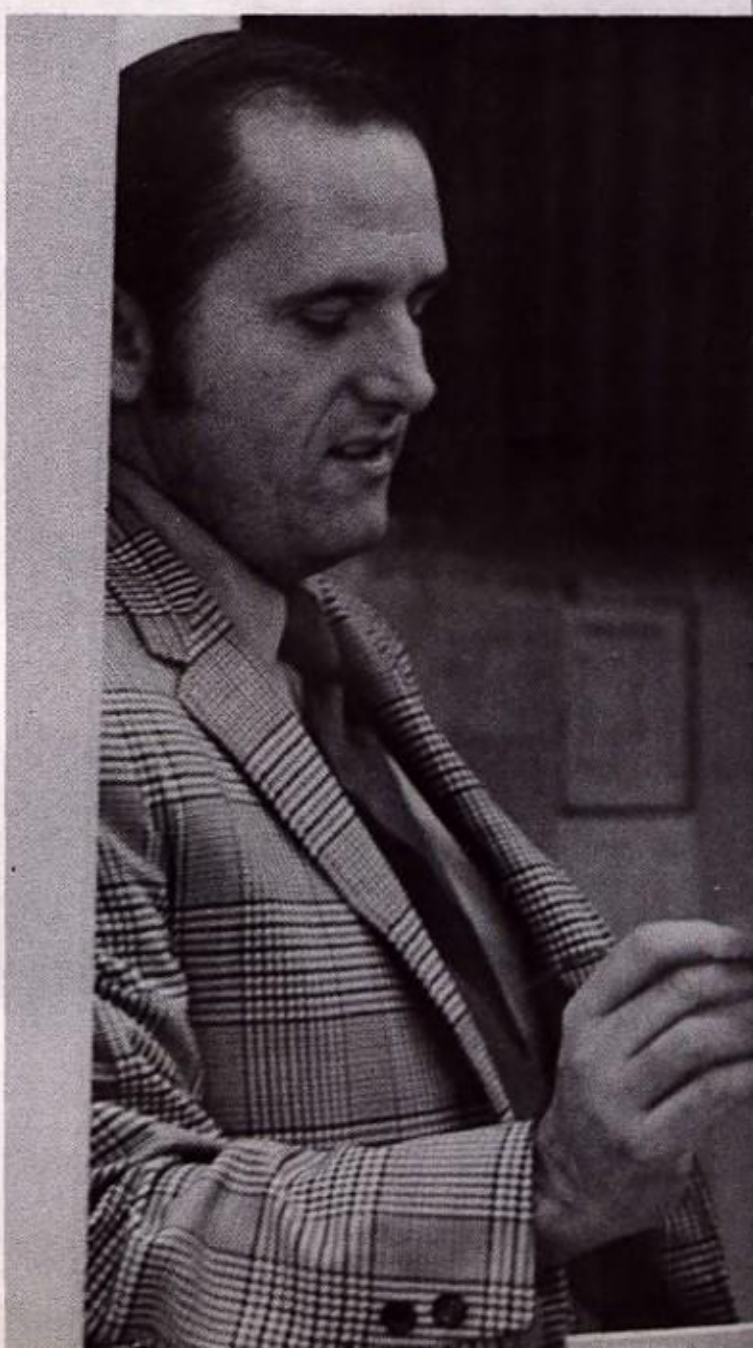
Faculty Reflects



Helix students are lucky to have a large selection of specialized courses. Students involved in these classes have brought many honors to Helix. Among those are TARTAN '71, which was produced in the Art Department, received 1st plase honors as rated by the Columbia Scholastic Press Association. Our DECA club was honored as California Chapter-of-the-year for 1971 and the Helix Marching Highlander Band represented San Diego City and County in the Tournament of Roses Parade.

These honors were possible only because of the outstanding leadership provided by faculty members.

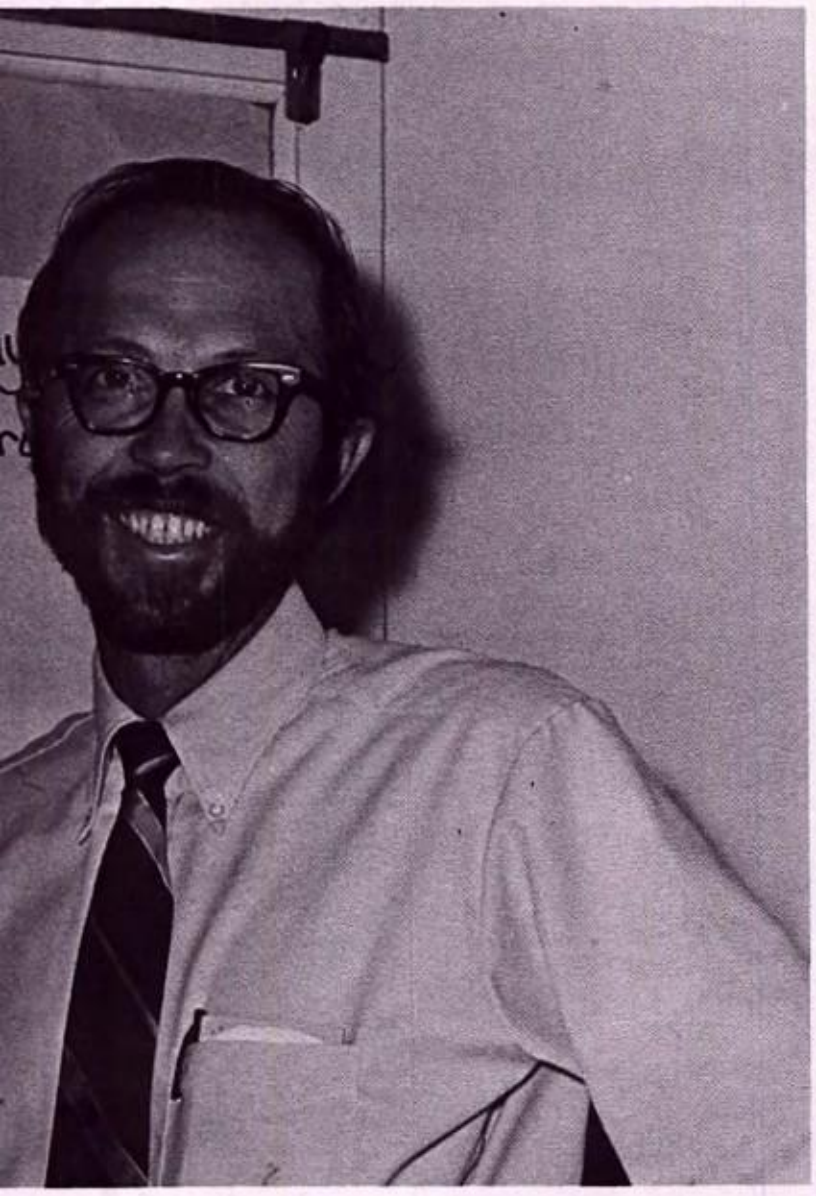
Involvement



As a future stepping stone, the social science classes endeavor to give students the "sufficient plus" knowledge needed to understand life and its problems.

The department offers students past history and culture of the U.S. combined with social aspects of living towards which they will soon be a part. From psychology in Civics to the snowfall in San Diego, Helix students encounter a well-balanced knowledge of the world, geographically, historically, and socially.

Honors Brought Hom

o Helix

Como esta? Je suis tres bien. The art of communication, necessary if we are to have peace, is the goal of the Language Department. Students can be heard babbling in such languages as Spanish, French, German, Latin, Russian and the International Language-Mathematics. From the basics of arithmetic to complex Calculus many honors have been earned by Math students. Helix again placed high in the National Math Contest and other competitions. The Math Team also sponsors the annual Math Field Day. In this age of Industry, a knowledge of language and mathematics can certainly be appreciated.

Faculty Supplies New Electives

Change has been the theme for the English department this year. Juniors and Seniors now have the opportunity to take several new semester courses instead of English III and IV. Among these are the very popular Bible as Literature, Media, and combination Folklore/Mythology classes. The achievements of the Speech Team, Drama Club, and Fling Staff can also be credited to this department. Under the leadership of Miss Mitterling, the Speech Team has brought many honors back to Helix by placing high in all their tournaments. Mr. Hill's Fling Staff has produced a fine newspaper to keep the students informed of activities and the Drama Department and Club, guided by Mrs. Noll, have once again presented outstanding productions for Helix students.

Helix Combines Mental And Physical Fitness

Our Wide World of Sports, the theme of this year's Football Carnival has been a reality on the Helix Campus throughout the year. The accomplishments of our great athletic teams, both boys and girls, have once again proven that Helix is one of the most competitive in the county.

But not all high school involvement revolves around sports. As the athletic department builds the body, the Science Department trains the mind to take care of the body. Mixing these two thoughts together, it's no wonder why so many top scholastic and athletic students become a lasting part of the Helix Clan.

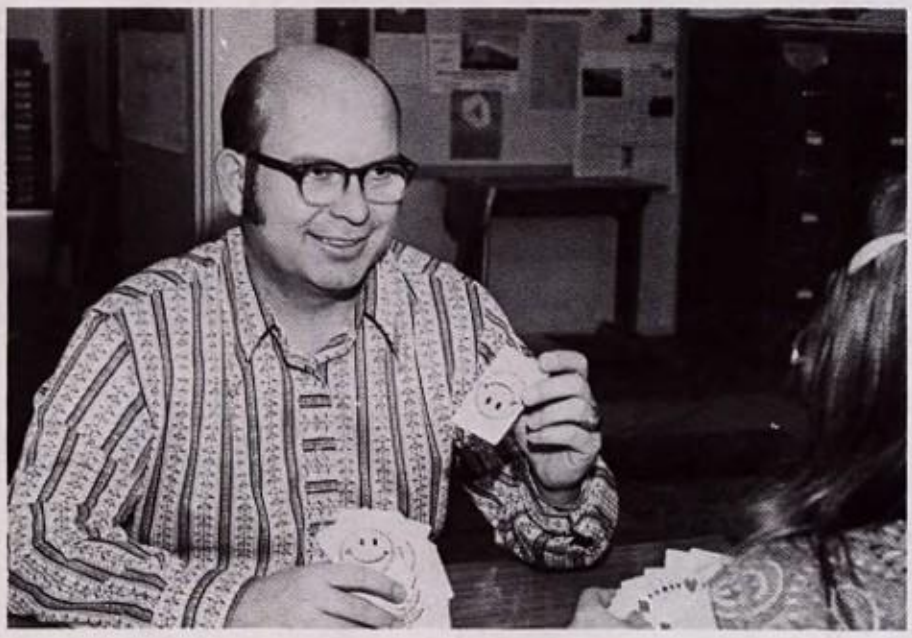
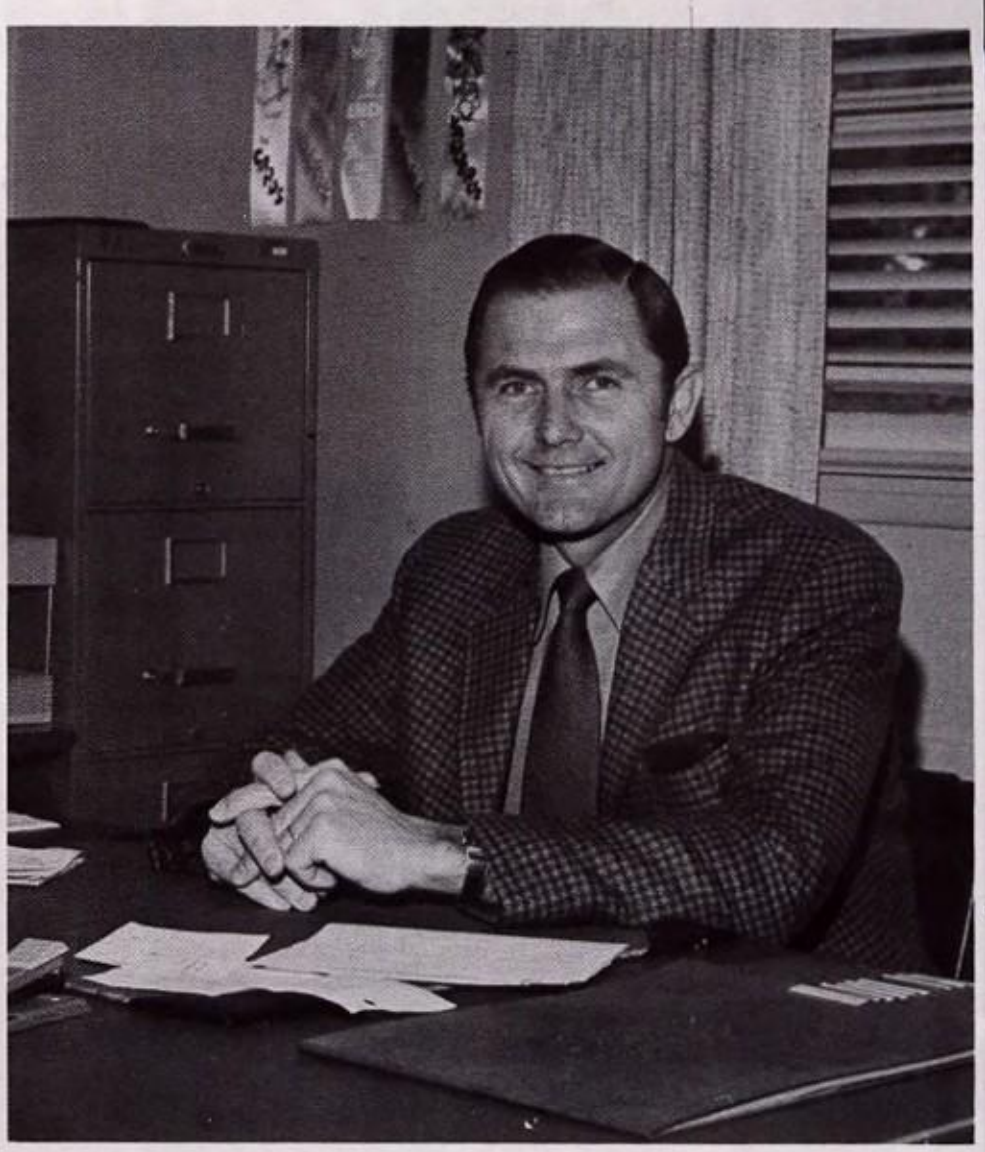
In Addition . . .

With over 2,500 students to program and assist in adopting to school policies, Helix's administrative staff were kept quite busy this year. Adding to our dedicated vice-principals due in January was Mr. Gerald Reckin who became vice-principal in charge of student services. Mr. James Thurman brought the number of counselors to seven as he assumed the position of Guidance Center Counselor.

Miss Denise Parker joined the Girls' Physical Education department replacing Miss Sherrie Sellman; Mr. Robert Eckert replaced Mr. Robert Lent in Distributive Education; and Miss Patricia McQuillan became the English Department replacement for Mrs. Mary Jones. Helix Highlanders bid a warm welcome to the new members of the Clan.

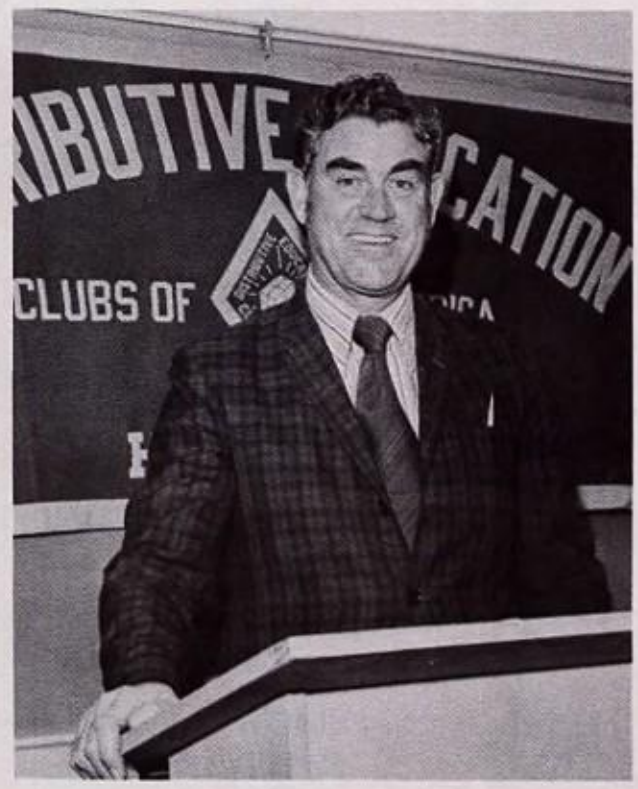




Mr. Reckin was once a student at Point Loma High School where he later returned to become assistant to the principal. He has been both a teacher and counselor at Crawford High School and spent four years as head counselor at Morse High School.

Mr. Thurman, after a 30-year career in the Marine Coprs, became a teacher at John Carroll High School in Washington, D.C. He then assumed a counseling position at St. Augustin High School. Just before joining the faculty at Helix he was vice-prencipal at Central High School in Modesto.

Miss Parker, a graduate of S.D. State, was a substitute teacher for the city schools before coming to Helix. She likes team sports and is a member of a volleyball team. She will be coaching girls' softball in addition to her physical education classes.



Mr. Eckert earned his Bachelor's degree from the U.S. Naval Post Graduate School in Monterey, California, where he later taught for three years. Other teaching experience includes one year each at O'Farrell Junior High and Marion High in Imperial Beach.

Miss McQuillan, a graduate of Cal State L.A., began her teaching career in the L.A. school system where she developed a reading program for junior high schools in that area. She also taught in-service workshops in reading for teachers.

Where Are We Going?

Our environment is the sum of all that is around us.

Our heritage is the sum of all that our previous generations have done with that environment.

Good or bad, it is this heritage that we have to work with.

Should we decide to change, condone, or completely revoke it, it is our time to start building for the heritage we choose to leave for the future.

"Deadline Doom" Ends As Staff Reaches Goa

There are many dedicated people who are responsible for the success of Volume XX of the TARTAN. The theme "A Time For Us," was brought to life after over four thousand man hours of work was spent after school, on weekends, and during vacations to make this the best yearbook Helix has ever known. Each staff member pulled his own share of the load with Fernando "Citizen Rocky" Martinez at the helm as Editor-in-Chief. Sue Kost and Jenny Colbeth teamed up to handle our Business affairs while Sharon James typed her way to stardom as Literary Secretary. Marla Price and Diane Olmstead put all the excitement into the Student Life Division while Darlene "Always-on-time" Salmon and Betty "Bumpkin" Humphrey got organized and constructed the Organizations Division. Sports fans were delighted with the job Toni Wells and Joe Gamache did with the Sports Division while the mighty Senior section was completed by Jeanette Joy Pearson Olson and Lora "No-more-write-ups-please" Riordan. All underclassmen can thank Margaret Weld and Barbara Latimer for the success of the Classes Division. Russ "Merkle" Meek and Kathi Ellis put the faculty in their places in the Academics Division. Photography Bunkies Bruce Orsborn, Sue Baker, Rahn Price and Pete "Neanderthal" Matheson are never to be forgotten under the direction of the head Bunkie, Dave "Forgetful" Roberts.

I take sincere pleasure in congratulating all of you on a job well done.

Ron Ray
Advisor

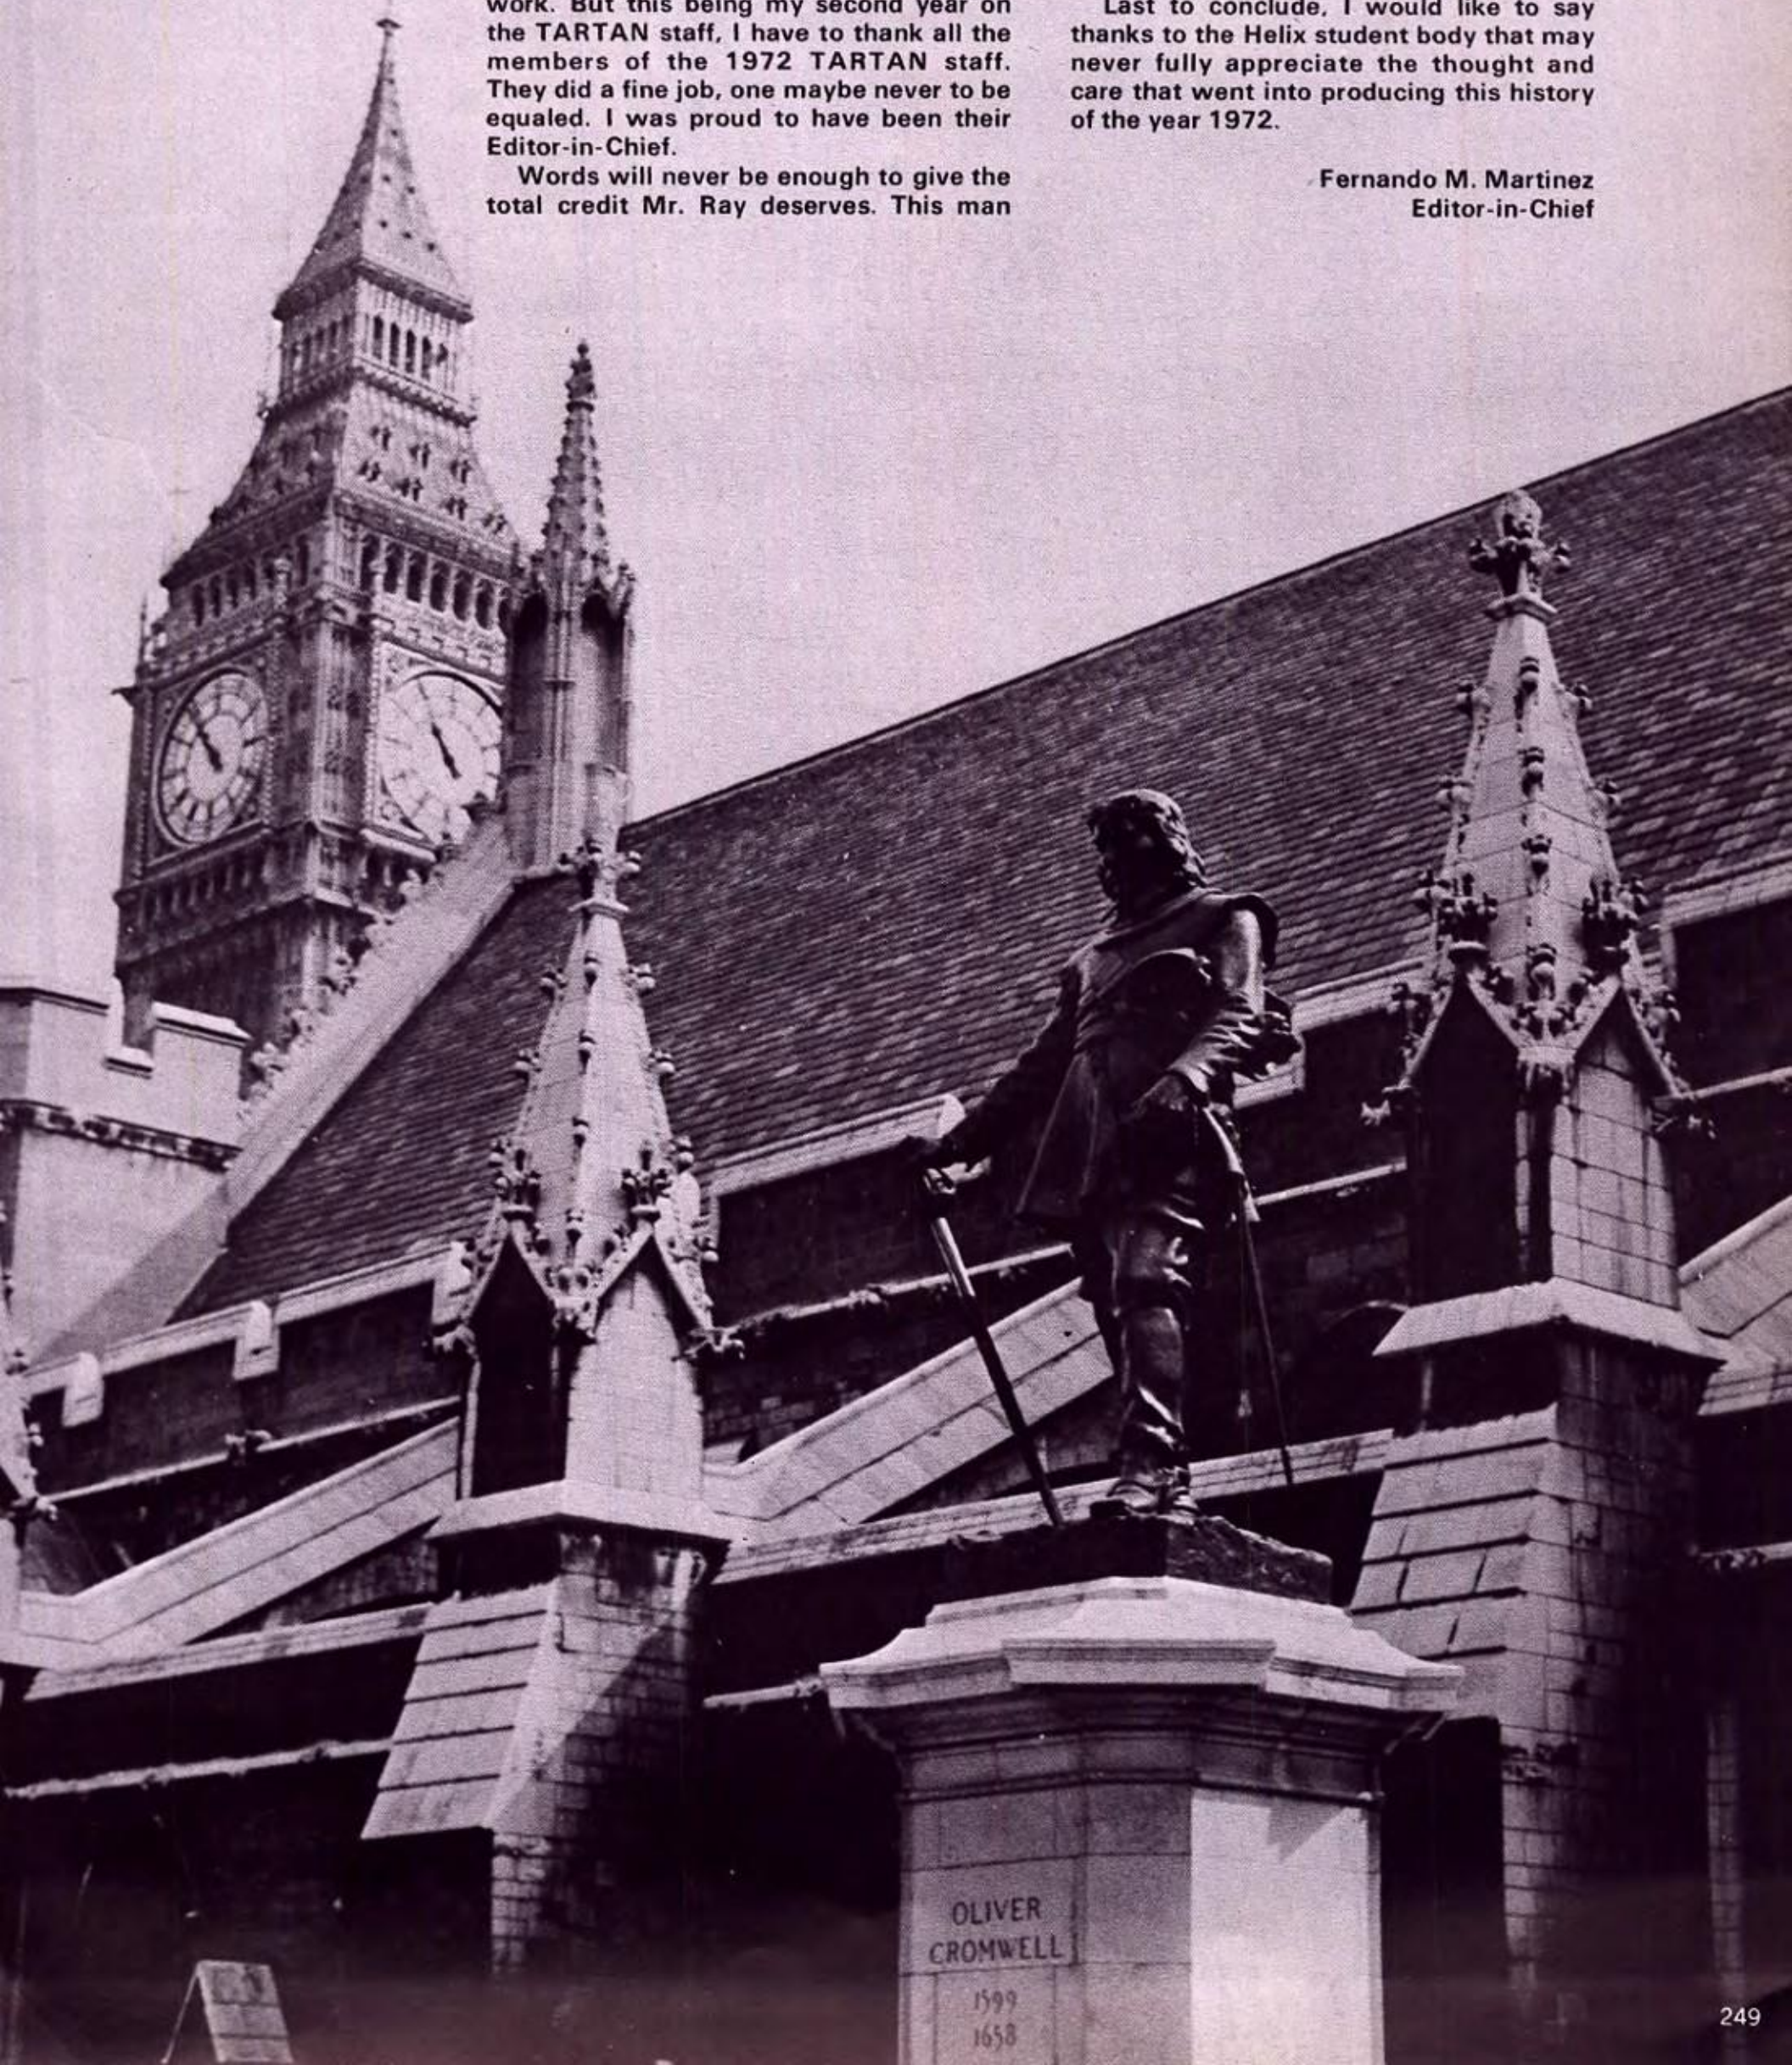
EDITOR'S MESSAGE

Leading this staff has been one gratifying experience for me. With many last minute pressures before deadlines, the staff always came through in the clutch. There were many people working together and it was hard to expect good work. But this being my second year on the TARTAN staff, I have to thank all the members of the 1972 TARTAN staff. They did a fine job, one maybe never to be equaled. I was proud to have been their Editor-in-Chief.

Words will never be enough to give the total credit Mr. Ray deserves. This man gave his time and more to make sure that TARTAN '72 was a success. Thanking him for his work is something that will never be completed. I'd also like to thank Boyd Anderson Studios for their fine work and cooperation throughout 1972.

Last to conclude, I would like to say thanks to the Helix student body that may never fully appreciate the thought and care that went into producing this history of the year 1972.

Fernando M. Martinez
Editor-in-Chief



IN 1972
WE TRIED HARDER . . .
BUT WE DIDN'T WORK ANY
MIRACLES
WE DID BECOME
MORE AWARE
OF OURSELVES AS
INDIVIDUALS
WHO NONETHELESS
HAD CERTAIN LIMITATIONS
ON OUR INDIVIDUALITY . . .
WE DID BECOME MORE
INVOLVED IN LEARNING . . .
NOT BECAUSE WE HAD TO
BUT
BECAUSE WE WANTED TO
WE DID
GIVE OUR TEAMS
THE ADDED BOOST OF
GOOD SCHOOL SPIRIT . . .
WE DID FIND
THAT WE COULD ACHIEVE
MORE THAN WE HAD REALIZED . . .

AS THE YEAR . . . .
AND THE TARTAN . . .
CLOSE
WE CAN BE GLAD THAT
IN THE YEAR 1972
THERE WAS . . .
